POWER ON

The earbuds will automatically turn on when you open the charging case.

POWER OFF

The earbuds will automatically turn off once placed inside the charging case with the lid closed.

PHONE PAIRING

- Open the charging case, long press the charging case button for 5 seconds.
- Select 'Add Device' and select Noise Air Buds 6 from the list of devices.
- Your Noise Air Buds 6 are now paired with your device and ready to use.

Note: Your Noise Air Buds 6 will automatically connect to the last paired device as soon as you take them out of the charging case.

SETTING UP THE NOISE BUDSLINK APP

Before pairing with the Noise BudsLink App, make sure that your Noise Air Buds 6 is connected to your smartphone.

- On your smartphone, download the Noise BudsLink App from the Play Store or App Store and install it.
- Slide to agree to the terms and conditions.
- Allow requested permission in the app.
- Turn on the Bluetooth and location on your mobile device.

Note: Ensure that your smartphone is running on Android 9.0+ or iOS 11+ and is connected to mobile data or a Wi-Fi network.

PAIRING WITH NOISE BUDSLINK APP

- Connect your Noise Air Buds 6 with your smartphone by following the steps in the PHONE PAIRING section.
- Install and open the Noise BudsLink App. Go to the Bluetooth device search page on the app.
- “Noise Air Buds 6” will appear on the screen. Click on the Connect option.
- Once it is connected, the main dashboard window will appear.

Note- It might take up to 15 seconds to establish connection between the app and the Air Buds 6.

RESET

- Make sure your earbuds are fully charged.
- Delete/remove Noise Air Buds 6 from the list of paired devices in the Bluetooth menu.
- Insert both earbuds into the charging case, keep the lid open and long press the charging case button for 10 seconds.
- The white LED on the charging case will start blinking to indicate that the earbuds have been reset.

CHOOSING YOUR EAR-TIP SIZE

Earbuds are fitted with medium-sized tips. However, if you find that they don't fit perfectly, please remove them and try the small and large ear tips.

Follow the images and chart to learn how to wear earbuds in the right manner.

CHARGING

Earbuds

Place both earbuds inside the case to charge them.

SAFETY FOR YOU AND YOUR NOISE AIR BUDS 6

Follow these tips to get the best out of your new Noise Air Buds 6:

-  Do not expose the earbuds to liquids, moisture, or humidity as they have electronics and batteries inside.
-  Do not use abrasive cleaning solvents to clean your new earbuds. Wipe them down with a slightly damp cloth if and when necessary.
-  Remove and clean the earbud tips regularly to ensure that you always enjoy the best sound possible.
-  Only charge your earbuds from 5V USB ports such as phone chargers and laptop or PC chargers.
-  Do not expose the earbuds to extremely high or low temperatures as this may damage the battery or even deform the plastic parts.
-  Do not throw the earbuds in a fire to dispose of them. The internal battery may explode.
-  Do not try to disassemble your earbuds. There are no user-serviceable parts inside it.
-  Try not to drop the earbuds and keep them away from sharp objects such as keys in your pockets.
-  Only charge your earbuds from 5V USB ports such as phone chargers and laptop or PC chargers.
-  Never listen to music at high volume or you may permanently damage your hearing.
-  Pay attention to your surroundings and never wear any earphones while riding, driving or walking in traffic.
