Logitech Combo Touch Keyboard Case User Manual

FOR IPAD AIR (4TH & 5TH GENERATION)

PRODUCT OVERVIEW

The Logitech Combo Touch is a versatile keyboard case designed for the iPad Air (4th and 5th generation). It offers four distinct use modes: Type, Sketch, View, and Read, providing enhanced functionality without needing to remove your iPad from the case. The keyboard is detachable, and the integrated kickstand offers adjustable viewing angles. It features a large, click-anywhere trackpad, backlit keys with 16 levels of brightness, and a full row of iPadOS shortcut keys for convenient control. The durable form-fit cover provides comprehensive front, back, and corner protection for your device. Power and pairing are handled seamlessly through Smart Connector technology, eliminating the need for separate charging.

- **Front, Back, and Corner Protection:** A durable form-fit cover securely holds and protects your iPad Air from all sides.

FRONT, BACK, & CORNER PROTECTION

Figure 8: The robust case design provides all-around protection for the iPad Air.

Advertisements

- **SMART CONNECTOR Technology:** Enables instant power and pairing, drawing power directly from your iPad Air, so the keyboard never needs charging.

INSTANT POWER AND PAIRING

Figure 9: The Smart Connector ensures seamless power and data transfer without separate charging.

Advertisements

- **Home for Apple Pencil:** Convenient opening in the side of the case allows for easy charging of your Apple Pencil (2nd gen) while keeping the case on.

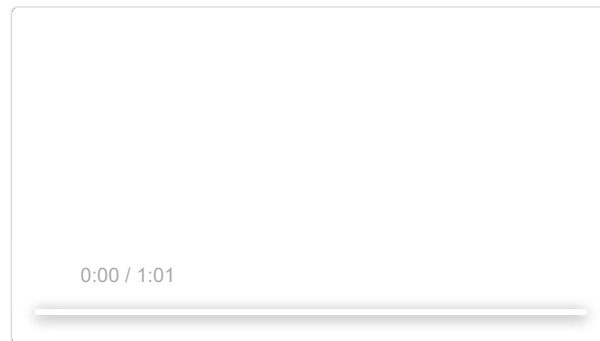

SETUP & INSTALLATION

Attaching Your iPad Air to the Combo Touch Case

1. Align your iPad Air with the protective case portion of the Combo Touch.
2. Gently press the iPad into the case until it snaps securely into place. Ensure all corners are properly seated.
3. The Smart Connector on the case will automatically align with the Smart Connector on your iPad Air. This connection provides instant power and pairing for the keyboard and trackpad.

The keyboard component of the Combo Touch is detachable. Simply pull the keyboard away from the case when you wish to use your iPad in tablet-only mode or for sketching/viewing without the keyboard attached. The kickstand on the case will remain functional.

OPERATING INSTRUCTIONS

Using the Keyboard

The full-size keyboard provides a comfortable and familiar typing experience. The keys are backlit and automatically adjust their brightness based on your environment. You can also manually adjust the backlight intensity using the dedicated keys in the function row.

iPadOS Shortcut Keys

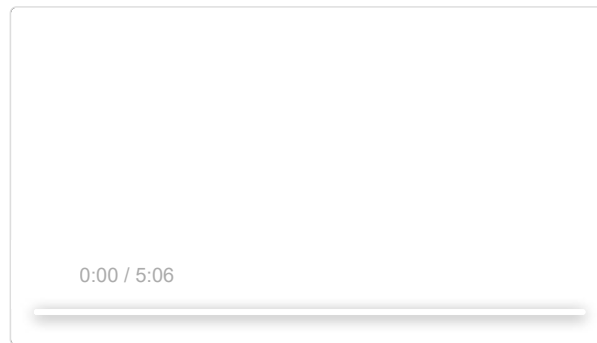

- **Home:** Returns to the iPad Home screen.
- **Screen Brightness:** Adjusts the iPad screen brightness.
- **Keyboard Backlight:** Adjusts the keyboard backlight brightness (16 levels).
- **Search:** Activates Spotlight Search.
- **Media Controls:** Play/Pause, Previous Track, Next Track.
- **Volume Controls:** Mute, Volume Down, Volume Up.
- **Screen Lock:** Locks the iPad screen.

Advertisements

The large, click-anywhere trackpad supports familiar Multi-Touch gestures for seamless navigation and interaction with iPadOS. You can click anywhere on the trackpad surface for consistent response.

Common Trackpad Gestures:

- **Click:** Press down on the trackpad.
- **Right-Click (Context Menu):** Tap with two fingers.
- **Scroll:** Drag two fingers up or down.
- **Zoom:** Pinch with two fingers.
- **Swipe Between Apps:** Swipe left or right with three fingers.
- **Go to Home Screen:** Swipe up with three fingers.
- **Open App Switcher:** Swipe up with three fingers and pause.

MAINTENANCE & CARE

To ensure the longevity and optimal performance of your Logitech Combo Touch keyboard case, follow these maintenance guidelines:

- **Cleaning the Exterior:** Use a soft, lint-free cloth slightly dampened with water to wipe down the fabric exterior. Avoid abrasive cleaners or solvents.
- **Cleaning the Keyboard:** Use a soft, dry cloth to wipe the keys. For stubborn dirt, a slightly damp cloth can be used, ensuring no liquid enters the keyboard.

- **Storage:** When not in use, keep the case closed to protect the screen and keyboard. Store in a cool, dry place away from direct sunlight.
- **Handle with Care:** Avoid dropping the case or subjecting it to strong impacts, as this can damage both the case and your iPad.

TROUBLESHOOTING

Issue	Possible Solution
Keyboard/Trackpad not responding	Ensure the iPad is correctly seated in the case and the Smart Connector is clean and aligned. Detach and re-attach the keyboard. Restart your iPad. Check iPadOS settings for keyboard and trackpad.
Backlight not working or dim	Adjust backlight brightness using the dedicated function keys. Ensure iPadOS is up to date.
Connection issues (intermittent disconnects)	Ensure the Smart Connector on both the iPad and the case are clean and free of debris. Re-attach the keyboard firmly. Restart your iPad.
USB-C accessories not fitting in case cutout	Some third-party USB-C cables or adapters may have larger connectors that do not fit the case's cutout. Use Apple-certified cables or slimmer third-party options.
Apple Pencil falling out of holder	The Apple Pencil slot is designed for charging. For secure transport, consider a separate sleeve or pouch if the pencil frequently dislodges.
