Apple Smart Folio for iPad Pro 11-inch (1st-4th Gen) Instruction Manual

Model: MQDV3ZM/A

1. PRODUCT OVERVIEW

The Apple Smart Folio is a protective cover designed for the iPad Pro 11-inch (1st, 2nd, 3rd, and 4th generation). It provides both front and back protection for your device while maintaining a thin and lightweight profile. The Smart Folio attaches magnetically to the iPad and supports automatic wake and sleep functions. It can also be folded into various positions to serve as a stand for different activities.

2. SETUP

To attach the Smart Folio to your iPad Pro 11-inch, align the magnetic spine of the Folio with the corresponding edge of your iPad. The magnets will automatically snap the Folio into place, securing it to the device. Ensure the camera cutout on the Folio aligns with your iPad's camera.

3. OPERATING INSTRUCTIONS

3.1 Automatic Wake/Sleep Function

The Smart Folio is designed to automatically wake your iPad when opened and put it to sleep when closed. This feature helps conserve battery life and provides quick access to your device.

3.2 Using as a Stand

The Smart Folio can be folded into various positions to create a stand for different uses:

- **Viewing Stand:** Fold the front cover into a triangular stand to prop up your iPad for watching videos or making FaceTime calls.

4. MAINTENANCE

To clean your Smart Folio, gently wipe it with a soft, lint-free cloth. For stubborn marks, slightly dampen the cloth with water. Avoid using harsh chemicals, abrasive materials, or excessive moisture, as these can damage the Folio's finish.

5. TROUBLESHOOTING

- **iPad not waking/sleeping automatically:** Ensure the Smart Folio is correctly aligned and fully closed. Check your iPad's settings to confirm the "Lock/Unlock" feature is enabled (Settings > Display & Brightness > Lock/Unlock).
- **Folio not attaching securely:** Verify that there are no obstructions between the iPad and the Folio's magnetic strip. Ensure the iPad model is compatible with the Smart Folio.
