

HP BH10

HP BH10 Wireless Bluetooth Over-Ear Headphone User Manual

Model: BH10

1. INTRODUCTION

The HP BH10 Wireless Bluetooth Over-Ear Headphone is designed to provide a high-quality audio experience with the convenience of wireless connectivity. This manual provides essential information for setting up, operating, maintaining, and troubleshooting your new headphones.

2. WHAT'S IN THE BOX

Please check the package contents to ensure all items are present:

- HP BH10 Wireless Bluetooth Over-Ear Headphone
- Charging Cable (USB)
- 3.5mm Audio Cable
- User Manual (this document)

3. PRODUCT FEATURES

The HP BH10 headphones offer a range of features for an enhanced listening experience:

- **Bluetooth 5.0:** Ensures stable, low-latency wireless connection with faster transmission speeds.
- **40mm Dynamic Drivers:** Delivers powerful audio with deep bass.
- **Built-in Microphone:** For hands-free calls.
- **Intelligent Noise Reduction:** Helps minimize surrounding noise for clearer audio.
- **Long Battery Life:** Up to 22 hours of music playback on a single charge.
- **Wired Mode:** Includes a 3.5mm audio jack for use with non-Bluetooth devices or when the battery is depleted.
- **Ergonomic Design:** Features a self-adjusting padded headband and soft memory foam ear cups for comfort.

- **Foldable Earcups:** Earcups can be folded at 90 degrees for easy storage and portability.
- **Dedicated Media Control Buttons:** For easy management of playback and calls.

4. SETUP

4.1 Charging the Headphones

1. Connect the provided USB charging cable to the charging port on the headphones.
2. Plug the other end of the USB cable into a compatible USB power source (e.g., computer USB port, USB wall adapter).
3. The LED indicator on the headphones will illuminate to show charging status.
4. A full charge takes approximately 2 hours. The LED indicator will change or turn off once charging is complete.

4.2 Bluetooth Pairing

1. Ensure the headphones are fully charged.
2. Press and hold the Power button on the headphones until the LED indicator flashes blue and red, indicating pairing mode.
3. On your device (smartphone, tablet, computer), enable Bluetooth and search for available devices.
4. Select "HP BH10" from the list of found devices.
5. Once paired, the LED indicator on the headphones will typically show a solid blue light or flash blue slowly.

- 6. The headphones will automatically reconnect to the last paired device within 5 seconds if Bluetooth is enabled on both devices.

4.3 Wired Connection

- Insert one end of the 3.5mm audio cable into the audio jack on the headphones.
- Plug the other end of the 3.5mm audio cable into the audio output jack of your device.
- The headphones will function as a wired headset, bypassing Bluetooth.

5. OPERATING INSTRUCTIONS

5.1 Power On/Off

- **Power On:** Press and hold the Power button for approximately 3 seconds until the LED indicator lights up.
- **Power Off:** Press and hold the Power button for approximately 3-5 seconds until the LED indicator turns off.
- **Automatic Sleep Mode:** If there is no action for 5 minutes while powered on and not connected, the headphones will enter sleep mode to conserve battery.

5.2 Music Playback

- **Play/Pause:** Press the Multi-function button (often the Power button or a dedicated play/pause button) once.
- **Next Track:** Press the "+" button (Volume Up) for 2 seconds.
- **Previous Track:** Press the "-" button (Volume Down) for 2 seconds.
- **Volume Up:** Short press the "+" button.
- **Volume Down:** Short press the "-" button.

5.3 Call Management

- **Answer/End Call:** Press the Multi-function button once.
- **Reject Call:** Press and hold the Multi-function button for 2 seconds.
- **Redial Last Number:** Double-press the Multi-function button.

6. MAINTENANCE

- **Cleaning:** Use a soft, dry cloth to clean the headphones. Do not use abrasive cleaners or solvents.
- **Storage:** When not in use, store the headphones in a cool, dry place, away from direct sunlight and extreme temperatures. Utilize the foldable design for compact storage.
- **Battery Care:** To prolong battery life, avoid fully discharging the headphones frequently. Charge them regularly, even if not used for extended periods.
- **Water Exposure:** These headphones are not waterproof. Avoid exposure to water or excessive moisture.

7. TROUBLESHOOTING

Problem	Solution
Headphones do not power on.	Ensure the headphones are charged. Connect to a power source and try again.
Cannot pair with device.	Ensure headphones are in pairing mode (flashing blue/red LED). Turn off and on Bluetooth on your device. Move closer to the device.

Problem	Solution
No sound or low volume.	Check volume levels on both headphones and your connected device. Ensure headphones are properly paired or the 3.5mm cable is fully inserted.
Poor call quality / Microphone not working.	Ensure the headphones are connected as an audio input device on your computer/phone settings. Move to a quieter environment.
Bluetooth connection is unstable.	Ensure there are no obstructions between the headphones and your device. Avoid strong electromagnetic interference. Keep devices within the effective Bluetooth range.
