POWER ON

The earbuds will automatically turn on, on opening the charging case.

POWER OFF

The earbuds will automatically turn off once placed inside the charging case with the lid closed.

PAIRING

- Open the charging case and buds will be in pairing mode automatically
- Select 'Add Device' and select Noise Buds X Ultra from the list of devices.
- Your Noise Buds X Ultra are now paired with your device and ready to use.

Note: Your Noise Buds X Ultra will automatically connect to the last paired device as soon as you take them out of the charging case.

POWER ON

POWER OFF

RESET

To reset your earbuds, please follow these steps:

First, ensure that the earbuds are charged and powered on. Then, press and hold both earbuds simultaneously for 10 seconds. Alternatively, you can reset earbuds by pressing one earbud for 10 seconds. During this time, you may notice the LED indicator light flashing, which indicates that the reset process is in progress. Once the 10 seconds have elapsed, release the earbuds and put it back to case and use it again. Your buds reset successfully.

CHOOSING YOUR EAR TIP SIZE

Earbuds are fitted with medium-sized tips. However, if you find that they don't fit perfectly, please remove them and try the small and large ear tips. Follow the images and chart to learn how to wear earbuds in the right manner.

CHARGING

Earbuds

Place both earbuds inside the case to charge them.

SAFETY FOR YOU AND YOUR NOISE BUDS X ULTRA

Follow these tips and you & your Noise Buds X Ultra will be happy together for a very longtime.

Do not expose the earbuds to liquids, moisture or humidity as they have electronics and battery inside.

Don't try to disassemble your earbuds. There are no user serviceable parts inside it.

Don't use abrasive cleaning solvents to clean your new earbuds. Wipe them down with a slightly damp cloth if and when necessary.

Try not to drop the earbuds and keep them away from sharp objects such as keys in your pockets.

Remove and clean the earbud tips regularly to ensure that you always enjoy the best sound possible.

Only charge your earbuds from 5V USB ports such as phone chargers and laptops or PCs

Do not expose the earbuds to extremely high or low temperature as this may damage the battery or even deform the plastic parts.

Never listen to music at high volume or you may permanently damage your hearing.

Don't throw the earbuds in a fire to dispose it. The internal battery may explode. .

Pay attention to your surroundings and never wear any earphones while riding, driving or walking in traffic
