Philips TAH4209BK/00

Philips 4000 Series TAH4209BK/00 On-Ear Wireless Headphones User Manual

Model: TAH4209BK/00

1. INTRODUCTION

Thank you for choosing the Philips 4000 Series TAH4209BK/00 On-Ear Wireless Headphones. This manual provides essential information for setting up, operating, and maintaining your headphones to ensure optimal performance and longevity. Please read this manual carefully before using your device.

2. WHAT'S IN THE BOX

- Philips 4000 Series TAH4209BK/00 On-Ear Wireless Headphones
- USB-C Charging Cable (200 mm)
- Quick Start Guide

4. SETUP

4.1 Charging the Headphones

Before first use, fully charge your headphones. Use the provided USB-C cable to connect the headphones to a USB power source (e.g., computer, wall adapter).

- A full charge takes approximately 2 hours.
- A quick 15-minute charge provides up to 2 hours of playback.
- The LED indicator will show charging status.

4.2 Powering On/Off

- To power on: Press and hold the multi-function button until the LED indicator lights up.
- To power off: Press and hold the multi-function button until the LED indicator turns off.

4.3 Bluetooth Pairing

1. Ensure the headphones are powered off.
2. Press and hold the multi-function button for approximately 5 seconds until the LED indicator flashes blue and red alternately. This indicates pairing mode.
3. On your Bluetooth-enabled device (smartphone, tablet, laptop), go to Bluetooth settings and turn on Bluetooth.
4. Search for available devices and select "Philips TAH4209BK/00" (or similar name).
5. Once connected, the LED indicator will flash blue periodically.

Your headphones support Bluetooth 5.3 and multipoint connection, allowing simultaneous connection to two Bluetooth devices (e.g., phone and laptop).

5. OPERATING INSTRUCTIONS

5.1 Music Playback

- **Play/Pause:** Press the multi-function button once.
- **Next Track:** Double-press the multi-function button.
- **Previous Track:** Triple-press the multi-function button.
- **Volume Control:** Use the volume up/down buttons on the earcup.

5.2 Call Management

- **Answer/End Call:** Press the multi-function button once.
- **Reject Call:** Press and hold the multi-function button for 2 seconds.
- **Call on Hold:** During a call, press the multi-function button to switch between calls or put the current call on hold.

5.3 Voice Assistant

Activate your device's voice assistant (Apple Siri or Google Assistant) by pressing the multi-function button.

5.4 Philips Headphones App

Enhance your listening experience by downloading the Philips Headphones app. The app allows you to:

- Activate **Dynamic Bass** for deeper low frequencies.
- Enable a **low-latency setting** for improved video synchronization.
- Select from a range of **preset sound styles** (e.g., 'Voice' for podcasts).
- Set a timer for **automatic power-down**.

6. COMFORT AND DESIGN FEATURES

These on-ear headphones are designed for extended comfort and portability.

- **Lightweight Design:** The headphones are exceptionally light, reducing pressure during long listening sessions.
 - **Cushioned Headband and Earcups:** The headband and earcups are padded with memory foam for a comfortable fit that adapts to your ears.
 - **Foldable Design:** The earcups fold flat and swivel inward, making the headphones compact for easy storage and transport.

7. MAINTENANCE

To maintain the performance and appearance of your headphones:

- Clean the earcups and headband with a soft, dry cloth.
- Avoid using abrasive cleaners or solvents.
- Store the headphones in a cool, dry place when not in use.
- Do not expose to extreme temperatures or humidity.

8. TROUBLESHOOTING

If you encounter issues with your headphones, refer to the following common solutions:

- **No Power:** Ensure the headphones are charged. Connect to a power source using the USB-C cable.
- **Cannot Pair:** Make sure the headphones are in pairing mode (LED flashing blue/red). Ensure Bluetooth is enabled on your device and it is within 10 meters of the headphones. Try restarting both devices.
- **No Sound:** Check the volume levels on both the headphones and your connected device. Ensure the headphones are properly paired.
- **Poor Sound Quality:** Move closer to your connected device to reduce interference. Ensure there are no obstacles between the headphones and the device.

For further assistance, consult the Philips support website or the full user manual available online.

9. SPECIFICATIONS

Model Name	TAH4209BK/00
------------	--------------

Brand	Philips
Color	Black
