WHAT'S IN THE BOX

Upon opening the product packaging, you will find the following items:

- TWS Earbuds (boAt Nirvana Crystl)
- Charging Cable
- Additional Earbuds (ear tips of various sizes)
- User Manual (this document)

PRODUCT FEATURES

Active Noise Cancellation (ANC)

The boAt Nirvana Crystl earbuds feature Active Noise Cancellation, capable of reducing ambient noise by up to 32dB. This allows for an immersive audio experience by minimizing distractions from your surroundings.

SETUP

Charging the Earbuds and Case

1. Place both earbuds into the charging case. Ensure they are correctly seated.
2. Connect the provided USB charging cable to the charging port on the case and to a compatible USB power source.
3. The LED indicators on the case will show the charging status. Allow approximately 2.5 hours for a full charge.

Initial Pairing (Bluetooth 5.3)

1. Open the charging case. The earbuds will automatically enter pairing mode.
2. On your device (smartphone, tablet, laptop), enable Bluetooth.
3. Search for "Nirvana Crystl" in the list of available Bluetooth devices.
4. Select "Nirvana Crystl" to connect. A voice prompt will confirm successful pairing.

App Installation

For full customization and advanced features, download the "boAt Hearables" app from your device's app store (Google Play Store for Android, Apple App Store for iOS). Follow the in-app instructions to connect your earbuds.

OPERATING INSTRUCTIONS

Touch Controls

The Nirvana Crystl earbuds feature intuitive touch controls. Specific functions can be customized via the boAt Hearables App. Default controls typically include:

- **Play/Pause:** Single tap on either earbud.
- **Next Track:** Double tap on the right earbud.
- **Previous Track:** Double tap on the left earbud.
- **Answer/End Call:** Single tap on either earbud.
- **Reject Call:** Long press on either earbud.
- **Activate Voice Assistant:** Triple tap on either earbud.
- **ANC/Transparency Mode Toggle:** Long press on the left earbud (customizable).

ANC and Transparency Modes

Toggle between Active Noise Cancellation (ANC) and Transparency Mode using the touch controls or through the boAt Hearables App. ANC blocks out ambient noise, while Transparency Mode allows you to hear your surroundings without removing the earbuds.

Spatial Audio Activation

Activate boAt 360° Spatial Audio through the boAt Hearables App to enhance your audio immersion. This feature is ideal for cinematic experiences and gaming.

Calling Functions

Utilize the quad microphones with ENx Technology for clear calls. Manage calls using the touch controls as described above.

BEAST Mode (Low Latency Gaming)

For an optimized gaming experience, activate BEAST Mode via the boAt Hearables App. This mode reduces audio latency, ensuring synchronized sound during gameplay.

MAINTENANCE

Cleaning

- Regularly clean the earbuds and charging case with a soft, dry, lint-free cloth.
- Remove ear tips and clean them with mild soap and water, then dry thoroughly before reattaching.
- Use a cotton swab or a small, soft brush to gently clean the charging contacts on both the earbuds and the case.
- Avoid using abrasive materials, alcohol, or chemical cleaners.

Storage

When not in use, store the earbuds in their charging case to protect them and ensure they remain charged. Store the

case in a cool, dry place away from direct sunlight and extreme temperatures.

Water Resistance

The boAt Nirvana Crystl earbuds are rated IPX5 water resistant, meaning they are protected against low-pressure water jets from any direction. This makes them suitable for workouts and light rain. Do not submerge the earbuds in water or expose them to heavy rain.

TROUBLESHOOTING

Problem	Possible Cause	Solution
Earbuds not pairing	Low battery; Earbuds not in pairing mode; Device Bluetooth off; Interference.	Charge earbuds and case; Ensure case lid is open for pairing; Turn device Bluetooth on/off; Move away from other wireless devices.
Only one earbud working	One earbud not charged; Earbuds not properly synced.	Ensure both earbuds are charged; Place both earbuds back in case, close, then reopen to re-sync.
Poor sound quality	Improper fit; Ear tips dirty; Source audio quality; Distance from device.	Adjust earbud fit and try different ear tip sizes; Clean ear tips; Use high-quality audio files; Stay within Bluetooth range (10 meters).
Earbuds not charging	Charging contacts dirty; Cable faulty; Power source issue.	Clean charging contacts; Try a different charging cable or power source.
App not connecting	Bluetooth not enabled; App not updated; Earbuds not paired.	Ensure Bluetooth is on and earbuds are paired; Update the boAt Hearables App to the latest version.
