Packing List

Earphone	X 1 Pair	Ear tips (M installed by default)	X 3 Pairs
User guide	X 1 Pcs	Warranty card	X 1 Pcs

INSTRUCTIONS

1. Enter pairing mode

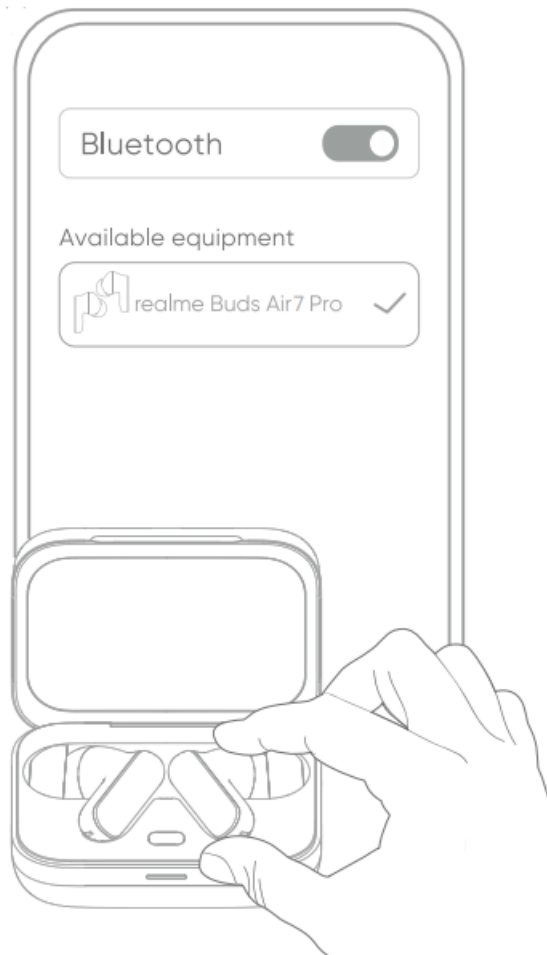

Put the headset in the charging box and open the box cover, press and hold the function button for 3 seconds for pairing.

2. Connect earphones

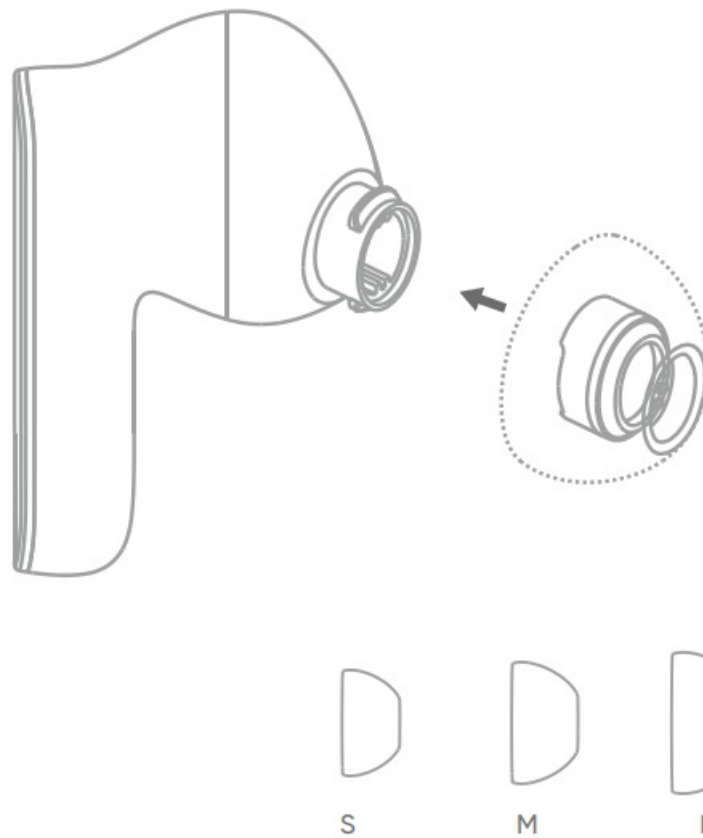

- Connect phone for Android
Turn on the Bluetooth on phones. Open the headset charging box, put it close to the phone. Then follow the Google Fast Pair pop-up instructions on the screen to operate.
- Connect phone for Non-Android
Turn on the Bluetooth on phones. Open the headset charging box, put it close to the phone. Then enter Bluetooth settings of mobile phone, search and connect: realme Buds Air7 Pro.
- How to take the earphones out
Thumb and index finger hold the bottom and top of the earphone respectively. Apply a slight upward force with the thumb to lift the bottom of the earphone, and then use the thumb and index finger to hold the ear stem and remove the earphone.
- Restore factory settings
Put the headset in the charging box and open the box cover, press and hold the function button for 10 seconds until the indicator light flashes alternately 4 times in white and green, the headset then returns to factory settings.

3.

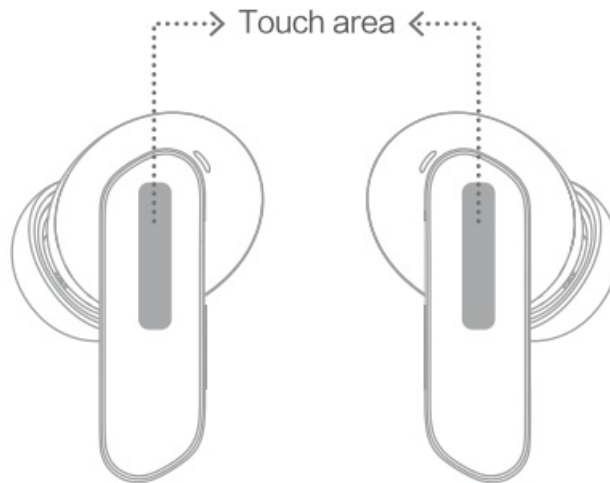

Wear earphones

You can choose the most appropriate ear tips size. (M installed by default)

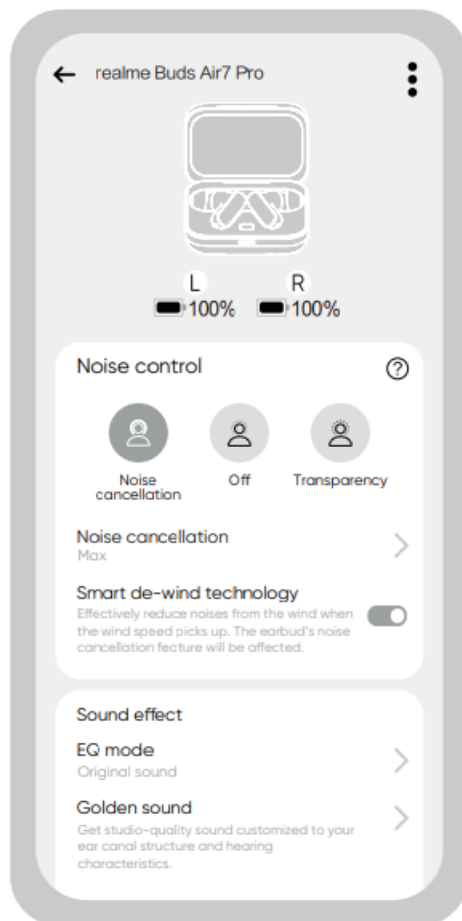

4. Touch controls

-    Touch twice to play or pause music, answer or end a call
-  Touch three times to skip forward
-    Press and hold 2 seconds on either side to switch noise control modes, decline an incoming call
-  Slide the touch area up and down to adjust the volume “+” or “-”

5. **realme Link**

For more functions, please go to the realme Link App. (The specific functions are subject to actual conditions.)

FAQ

How do I charge the earphones?

Connect the charging case using the provided Type-C cable.
