boAt Airdopes 111v2 TWS Earbuds Instruction Manual

Model: Airdopes 111v2

INTRODUCTION

Welcome to the boAt Airdopes 111v2 TWS Earbuds instruction manual. This guide provides detailed information on how to set up, operate, maintain, and troubleshoot your new wireless earbuds. Please read this manual carefully to ensure optimal performance and longevity of your device.

WHAT'S IN THE BOX

- TWS Earbuds
- Charging Cable
- User Manual
- Additional Earbuds (Ear Tips)

SETUP

1. Initial Charging

Before first use, fully charge your Airdopes 111v2. Place the earbuds into the charging case and connect the case to a power source using the provided cable. A full charge takes approximately 1.5 hours.

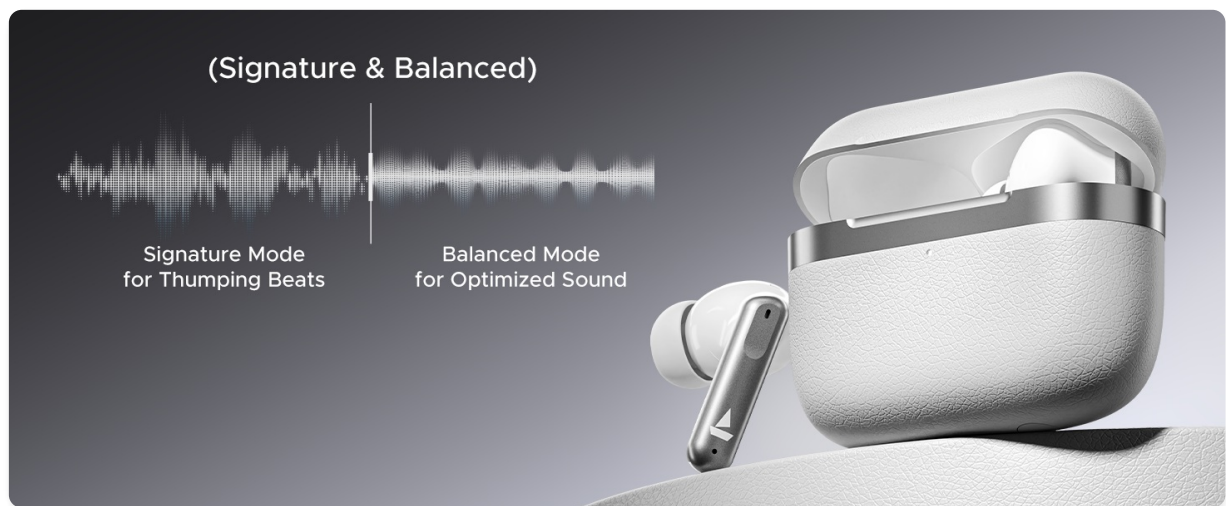

Image: The boAt Airdopes 111v2 charging case held in a hand, highlighting its 50 hours of total playback time.

The earbuds offer up to 50 hours of total playback time. With ASAP Charge, a 10-minute charge provides 120 minutes of playtime.

Image: boAt Airdopes 111v2 earbuds and charging case illustrating the ASAP Charge feature: 10 minutes of charging provides 120 minutes of playback.

2. Pairing with a Device

The Airdopes 111v2 feature IWP (Insta Wake N' Pair) Technology. Simply open the lid of the charging case, and the earbuds will automatically enter pairing mode. Look for "Airdopes 111v2" in your device's Bluetooth settings (Bluetooth v5.4) and select it to connect.

Multipoint Connectivity

Connect & Switch between 2 Devices with Ease

Image: A visual representation of the IWP Technology, showing a smartphone connected to the Airdopes 111v2 upon opening the case lid. Also depicts Bluetooth v5.4, Voice Assistant compatibility, and IPX4 resistance.

3. Multipoint Connectivity

The Airdopes 111v2 supports multipoint Bluetooth connectivity, allowing you to pair with two devices simultaneously. You can stay connected to both devices at once and switch between them without the need for re-pairing.

13mm Drivers

boAt Signature Sound

OPERATING INSTRUCTIONS

1. Touch Controls

The earbuds feature intuitive touch controls for managing calls, music playback, and activating your voice assistant. Refer to the quick start guide included in the box for specific touch gestures.

2. Voice Assistant

Activate your device's voice assistant (e.g., Siri, Google Assistant) directly from the earbuds using the designated touch control. This allows for hands-free control of your smartphone or other compatible devices.

Multipoint Connectivity

Connect & Switch between 2 Devices with Ease

Image: Icons representing Siri and Google Assistant, confirming the earbuds' compatibility with voice assistant features.

3. Dual EQ Modes

The Airdopes 111v2 offers two distinct EQ modes for a customized listening experience: **Signature Mode** for enhanced bass and **Balanced Mode** for optimized, clear audio. Switch between these modes to suit your preference.

50 Hours Playback

10 Mins = **120 Mins**
ASAP™ Charge **Playtime**

MAINTENANCE

1. Cleaning

Regularly clean your earbuds and charging case with a soft, dry cloth. Avoid using abrasive materials or harsh chemicals. Ensure the charging contacts are free from dust and debris.

2. Water Resistance

The Airdopes 111v2 are IPX4 rated for sweat and splash resistance. This means they can withstand light splashes of water and sweat, making them suitable for workouts. However, they are not designed for submersion in water. Avoid exposing them to heavy rain or swimming.

Multipoint Connectivity

Connect & Switch between 2 Devices with Ease

TROUBLESHOOTING

- **Earbuds not pairing:** Ensure the earbuds are charged and within range of your device. Turn off and on your device's Bluetooth, then try pairing again.
- **No sound:** Check the volume levels on both your device and the earbuds. Ensure the earbuds are properly connected.
- **Charging issues:** Verify the charging cable and adapter are working correctly. Ensure the charging contacts on both the earbuds and case are clean.
- **Poor call quality:** Ensure the microphones are not obstructed. Move to a quieter environment if experiencing excessive background noise.
