## SETUP INSTRUCTIONS

---

1. **Unboxing:** Carefully remove the UniStand from its packaging. Inspect for any signs of damage.
2. **Placement:** Place the UniStand on a flat, stable surface such as a desk or table. Ensure the surface is clean and free of debris to maximize the effectiveness of the anti-skid pads.
3. **Orientation:** The stand is designed for both vertical and horizontal phone placement. Choose the orientation that best suits your viewing needs.

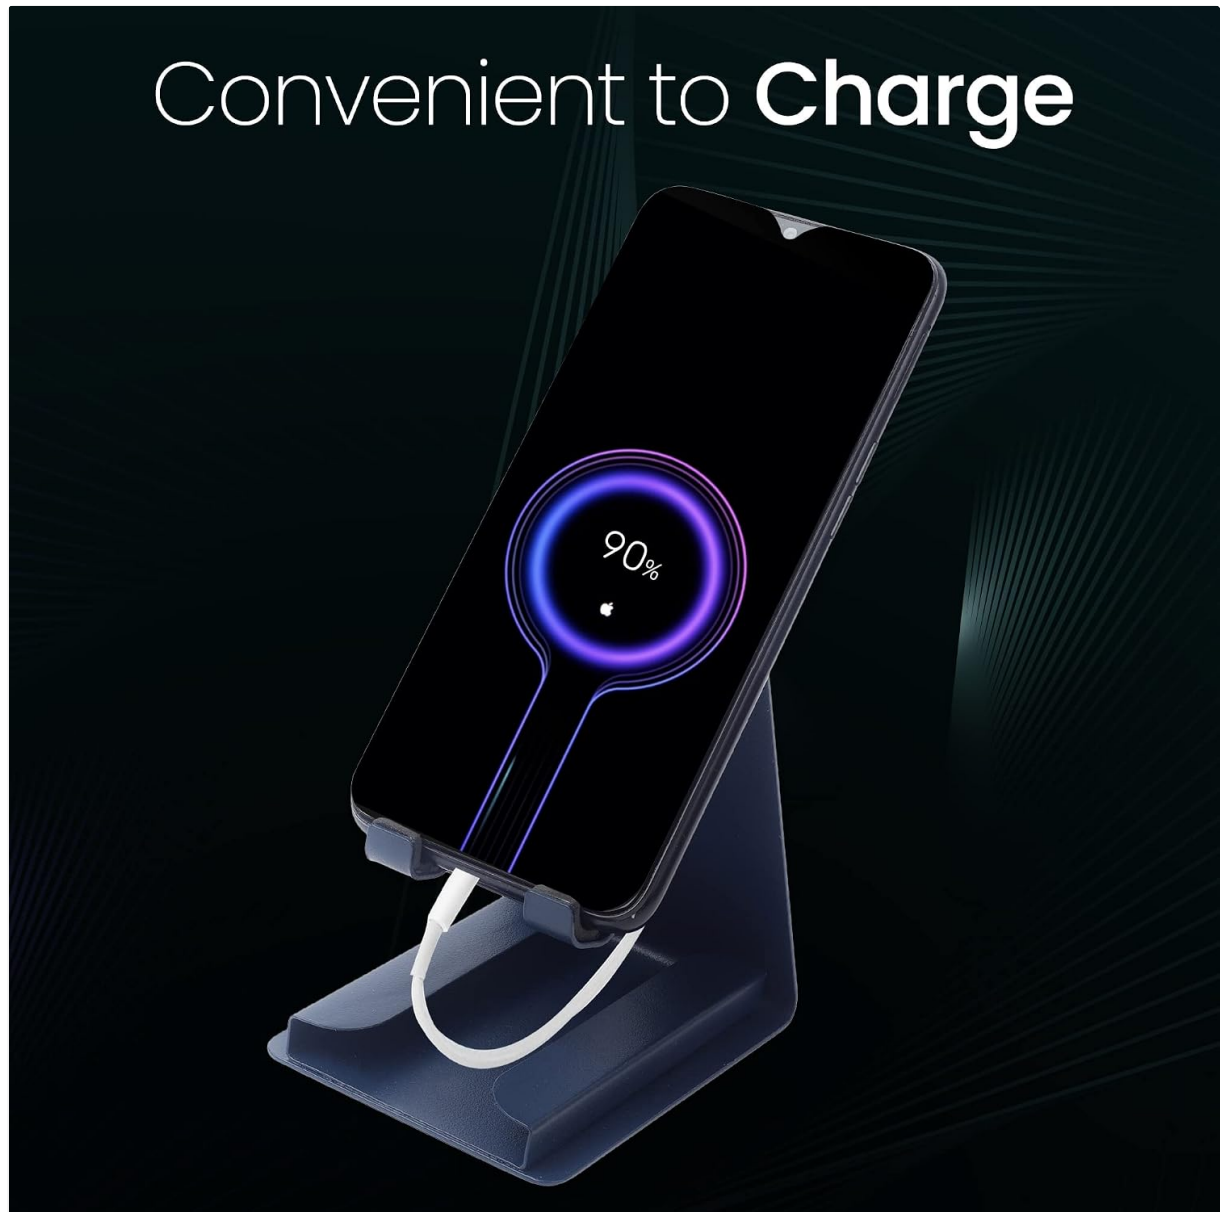

## OPERATING INSTRUCTIONS

---

The Ambrane UniStand is designed for versatile use, offering a stable platform for your smartphone along with additional utility features.

- **Placing Your Smartphone:** Gently place your smartphone onto the stand's cradle. The angular design provides a secure hold.
- **Optimal Viewing Angle:** The stand features a fixed 180-degree viewing angle, optimized for comfortable viewing of content, video calls, or general use.

- **Charging Convenience:** The design allows for easy access to your phone's charging port, enabling you to charge your device while it rests on the stand.

The stand is designed to allow easy charging of your smartphone while it is placed on the stand.

- **Using the Pen Holder:** A dedicated slot is integrated into the stand for holding a pen or stylus, keeping your workspace organized.
- **Using the Card Holder:** The base of the stand includes a slot for holding business cards or other small cards.

## MAINTENANCE

---

- **Cleaning:** Wipe the stand with a soft, dry cloth. For stubborn marks, a slightly damp cloth can be used, followed by immediate drying. Avoid abrasive cleaners or solvents.
- **Care for Metal Body:** The stand is made of rust-proof metal. To maintain its finish, avoid prolonged exposure to moisture or harsh chemicals.
- **Anti-Skid Pads:** Ensure the anti-skid rubber pads on the base are clean and free of dust to maintain their grip.

# Premium Metal Body

## Rust-proof

The UniStand is constructed from premium, rust-proof metal, ensuring durability and a stable base for your device.

# Portable Anti-skid Design

Anti-skid Body

Non-slip Rubber Pads

Sturdy and lightweight

Equipped with anti-skid rubber pads, the stand prevents accidental slips and protects surfaces from scratches, while remaining lightweight and portable.

## TROUBLESHOOTING

- **Phone Slipping:** Ensure your phone is placed centrally and securely in the cradle. Check that the anti-skid pads on the stand and the surface it rests on are clean.
- **Stand Instability:** Verify that the UniStand is placed on a completely flat and stable surface. Uneven surfaces can affect its balance.
