4. MAINTENANCE

4.1 Cleaning the Device

Use a soft, lint-free cloth to clean the screen and body of your phone. Avoid using harsh chemicals or abrasive materials, as these can damage the display and finish. The device is not water resistant, so avoid exposure to liquids.

4.2 Software Updates

Regularly check for and install software updates to ensure your device has the latest features, security patches, and performance improvements. You can find update options in the Settings menu under 'System' or 'About phone'.

4.3 Battery Care

To prolong battery life, avoid extreme temperatures. Do not leave the phone charging for extended periods after it has reached 100%. For optimal performance, use the original adapter and USB cable provided with the device.

4.4 General Care

Protect your phone from physical damage by using a protective case and screen protector. Avoid placing heavy objects on the phone or exposing it to direct sunlight for prolonged periods.

5. TROUBLESHOOTING

5.1 Common Issues and Solutions

- **Device not powering on:** Ensure the battery is charged. Press and hold the power button for at least 10-15 seconds to force a restart.
- **Charging issues:** Check if the USB cable and adapter are properly connected and undamaged. Try a different power outlet.
- **Network connectivity problems:** Verify that your SIM card is correctly inserted and active. Check network settings and ensure mobile data or Wi-Fi is enabled. Try restarting the device.
- **Apps crashing or freezing:** Close and reopen the app. Clear the app's cache and data in Settings > Apps. If the issue persists, uninstall and reinstall the app.
- **Slow performance:** Close unnecessary background apps. Clear cache regularly. Consider freeing up storage space.

5.2 Factory Reset

If you encounter persistent software issues, a factory reset may resolve them. **Warning:** A factory reset will erase all data on your phone. Back up important data before proceeding. To perform a factory reset, go to Settings > System > Reset options > Erase all data (factory reset).
