

vivo T2 5G

vivo T2 5G Smartphone User Manual

Model: T2 5G

1. INTRODUCTION

This manual provides essential information for using your new vivo T2 5G smartphone. Please read it carefully to ensure proper operation and to maximize the device's capabilities. The vivo T2 5G features an FHD+ AMOLED display, a 64 MP OIS anti-shake camera, and is powered by a Snapdragon 695 processor.

2. WHAT'S IN THE BOX

Verify that all items are present in your product packaging:

- vivo T2 5G Smartphone
- USB Cable
- Power Adapter
- SIM Tray Ejector
- Phone Case
- Screen Protector (pre-applied or included)

3. SETUP

3.1. Inserting the SIM Card

To use cellular services, you need to insert a Nano-SIM card. Your device supports Dual SIM functionality.

1. Locate the SIM card tray on the side of your phone.
2. Insert the SIM tray ejector tool into the small hole next to the tray and press firmly until the tray pops out.
3. Place your Nano-SIM card(s) into the designated slots on the tray, ensuring the gold contacts face down.
4. Carefully push the tray back into the phone until it clicks into place.

3.2. Initial Power On and Basic Settings

Press and hold the Power button until the vivo logo appears. Follow the on-screen prompts to:

- Select your language.
- Connect to a Wi-Fi network.
- Set up your Google account.
- Configure screen lock (PIN, pattern, fingerprint).

4. OPERATING YOUR DEVICE

4.1. Display Features

The vivo T2 5G features a 6.38-inch FHD+ AMOLED display with a 90 Hz refresh rate and up to 1300 nits peak brightness for clear and smooth visuals.

Turbo Display

4.2. Camera Usage

Your phone is equipped with a 64 MP OIS anti-shake main camera and a 16 MP front camera. Open the Camera app to capture photos and videos.

- **Photo Mode:** Tap the shutter button to take a picture.
- **Video Mode:** Switch to video mode and tap to start/stop recording.
- **Portrait Mode:** Utilize the Bokeh Flare Portrait feature for artistic depth-of-field effects.

- **OIS (Optical Image Stabilization):** Helps reduce blur in photos and videos, especially in low light or when moving.

5. MAINTENANCE

5.1. Cleaning Your Device

To clean your phone, use a soft, lint-free cloth. Avoid using harsh chemicals or abrasive materials, as these can damage the screen or finish. The device has a Water Resistant rating, but it is not waterproof; avoid submerging it in liquids.

5.2. Software Updates

Regularly check for and install software updates to ensure your device has the latest features, security patches, and performance improvements. Go to **Settings > System > System update** to check for updates.

5.3. Battery Care

To prolong battery life:

- Avoid extreme temperatures.
- Do not let the battery drain completely before recharging.
- Unplug the charger once the battery is full.

6. TROUBLESHOOTING

If you encounter issues with your vivo T2 5G, try the following common solutions:

- **Device not powering on:** Ensure the battery is charged. Connect the phone to the charger for at least 15 minutes, then try powering it on again.
- **Apps crashing or freezing:** Close the problematic app and reopen it. If the issue persists, restart your phone.
- **Network connectivity issues:** Check if your SIM card is properly inserted. Try toggling Airplane Mode on and off. Restart your phone.
- **Slow performance:** Clear unnecessary apps running in the background. Check for available software updates.
- **Fingerprint sensor not working:** Ensure your finger is clean and dry. Re-register your fingerprints in Settings.

For more complex issues, refer to the official vivo support website or contact customer service.

7. SPECIFICATIONS
