OnePlus 13s

OnePlus 13s Smartphone User Manual

Model: 13s

1. INTRODUCTION

This manual provides essential information for setting up, operating, maintaining, and troubleshooting your new OnePlus 13s smartphone. Please read this guide thoroughly to ensure optimal performance and longevity of your device.

Image: The OnePlus 13s smartphone, available in multiple color options, highlighting its compact and modern design.

2. DEVICE OVERVIEW

The OnePlus 13s is a compact powerhouse featuring the Snapdragon 8 Elite processor, a vibrant 120Hz ProXDR display, and a long-lasting 5850mAh battery. It runs on OxygenOS 15 with integrated OnePlus AI capabilities.

2.1. Box Contents

Upon unboxing your OnePlus 13s, verify that all the following items are included:

- OnePlus 13s Smartphone
- Power Adapter (80W SUPERVOOC)
- USB Cable (Type-C)
- SIM Tray Ejector
- Phone Case
- Screen Protector (pre-applied or in box)

3. SETUP GUIDE

3.1. Inserting the SIM Card

1. Locate the SIM card tray on the side of your device.
2. Insert the SIM tray ejector tool into the small hole next to the tray and press firmly until the tray pops out.

3. Place your Nano-SIM card(s) into the tray with the gold contacts facing down. The OnePlus 13s supports Dual SIM.
4. Carefully reinsert the SIM tray into the phone.

3.2. Initial Power On and Configuration

1. Press and hold the Power button until the OnePlus logo appears.
2. Follow the on-screen instructions to select your language, connect to Wi-Fi, and set up your Google account.
3. Configure security settings, including fingerprint recognition.

3.3. Charging the Device

Use the provided 80W SUPERVOOC Power Adapter and USB Type-C cable for fast charging. Connect the USB cable to the phone's charging port and the power adapter to a wall outlet. The device supports rapid charging, reaching full capacity in approximately 63 minutes.

4.2. OnePlus AI Features

OxygenOS 15 integrates advanced AI capabilities to enhance user experience:

- **AI Plus Mind:** Organize schedules, concerts, restaurant information, and more by tapping the Plus Key.
- **Intelligent Search:** Power your search using natural, conversational prompts.
- **AI Voice Scribe:** Record, translate, and summarize VoIP and video calls across applications.
- **Google Gemini:** Chat with Gemini, a personal AI assistant from Google, for assistance with writing, planning, and learning.

Oxygen OS 15 with AI Plus Mind³ out of the box.

Save and organise schedules, concerts, restaurant info,
and more with a tap of the Plus Key.

4.3. Camera Usage

The OnePlus 13s is equipped with a versatile camera system:

- **Rear Cameras:** Dual 50MP sensors (Wide and Telephoto with 2X Optical Zoom) for detailed images. Features include Clear Burst for capturing fast moments.
- **Front Camera:** 32MP with Auto Focus for clear selfies and group photos.
- **AI Enhancements:** AI Unblur to sharpen photos and AI Detail Boost for enhanced clarity, even when zoomed.

Next-gen connectivity with 5.5G and Independent Wi-Fi Chipset

2 times faster

Wi-Fi connectivity than flagships across walls⁸

50% faster

than other flagships even in crowded streets⁹

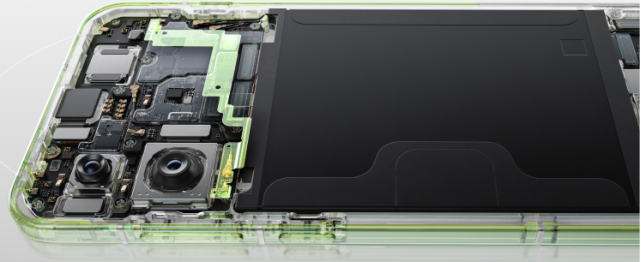

Image: Close-up of the OnePlus 13s camera module, detailing the 50MP AF Wide, 50MP AF Telephoto (2X Optical Zoom), and 32MP AF Front cameras.

4.4. Connectivity

Your device supports advanced connectivity options:

- **5G:** For high-speed mobile data.
- **Wi-Fi:** Features an independent G1 Wi-Fi chipset for enhanced performance, up to 2 times faster than other flagships across walls and 50% faster in crowded streets.
- **Bluetooth:** For connecting wireless accessories.
- **NFC:** For contactless payments and quick pairing.

Lifetime Display Warranty*

The only brand that provides lifetime display warranty for an industry-wide greenline issue.

*Lifetime Warranty Disclaimer: Users experiencing green line issues on their screens are entitled to free screen replacement within the parts expiry period. This service does not cover damage resulting from an external factor. Specific terms will be based on the conditions at the service center on the day of service. OnePlus reserves the right of final interpretation regarding this service.

4.5. Security

The OnePlus 13s includes a fast and reliable fingerprint recognition sensor for secure unlocking and authentication.

5. MAINTENANCE

5.1. Battery Care

To maximize battery life and performance:

- Avoid extreme temperatures.
- Use only the official 80W SUPERVOOC charger and cable.
- For optimal long-term health, consider keeping the charge level between 20% and 80% when possible.

5.2. Software Updates

Regularly check for and install OxygenOS updates to ensure your device has the latest features, security patches, and performance improvements. Navigate to **Settings > About device > OxygenOS version** to check for updates.

5.3. Cleaning Your Device

The OnePlus 13s is water resistant. To clean, gently wipe the device with a soft, lint-free cloth. Avoid using harsh chemicals or abrasive materials. Do not submerge the device in water.

5.4. Storage Management

With 512GB of internal storage, you have ample space for apps, photos, and videos. Regularly review your storage usage in **Settings > Storage** and delete unnecessary files or offload media to cloud services to maintain optimal performance.

6. TROUBLESHOOTING

If you encounter issues with your OnePlus 13s, refer to the following common solutions:

- **Device Unresponsive:** Press and hold the Power button for approximately 10 seconds to force a restart.
- **Performance Slowdown:** Close background applications, clear cache, or restart the device. The Cryo-Velocity cooling system helps manage heat during intensive use.
- **Connectivity Issues (Wi-Fi/5G):** Toggle Wi-Fi or mobile data off and on. Restart your router for Wi-Fi issues. Ensure your SIM card is properly inserted.
- **Camera Not Focusing:** Ensure the lens is clean and free from obstructions. Restart the camera app or the device.
- **Battery Draining Quickly:** Check battery usage in settings to identify power-hungry apps. Reduce screen brightness, disable unnecessary features like GPS or Bluetooth when not in use.

For persistent issues, consider performing a factory reset (back up your data first) or contacting customer support.

7. SPECIFICATIONS

Feature	Specification
Brand	OnePlus
Model	13s
Operating System	Android 15, OxygenOS
CPU Model	Snapdragon 8 Elite
CPU Speed	4.32 GHz
RAM	12 GB
