SETUP

1. Initial Power On

1. Press and hold the Power button (located on the right side of the device) until the Google logo appears.
2. Follow the on-screen prompts to select your language, region, and connect to a Wi-Fi network.

2. Data Transfer

If you are switching from an old phone, the Pixel 10 offers a seamless data transfer process. Follow the on-screen instructions to transfer your apps, photos, contacts, and other data. This process typically takes about 20 minutes.

With Pixel, it all comes together brilliantly.
