1. DEVICE SETUP

1.1. Box Contents

Before starting, ensure all items are present in the box:

- OPPO F33 Pro 5G Smartphone
- Phone Case
- Power Adapter (80W SUPERVOOC)
- SIM Tray Ejector
- Screen Protector (pre-applied or in box)
- Quick Start Guide
- USB Type-C Cable

1.2. Inserting SIM Cards

The OPPO F33 Pro 5G supports Dual SIM functionality.

1. Locate the SIM card tray on the side of the device.
2. Insert the SIM tray ejector tool into the small hole next to the tray and press gently until the tray pops out.
3. Place your Nano-SIM cards into the designated slots on the tray. Ensure the gold contacts face downwards.
4. Carefully reinsert the tray into the phone.

1.3. Initial Charging

It is recommended to fully charge your device before first use. Use the provided 80W SUPERVOOC Power Adapter and USB Type-C cable for optimal fast charging.

- Connect the USB cable to the power adapter.
- Plug the adapter into a power outlet.
- Connect the USB Type-C end of the cable to your phone's charging port.

- The charging indicator will appear on the screen.

2. OPERATING INSTRUCTIONS

2.1. Power On/Off

- **To Power On:** Press and hold the Power button until the OPPO logo appears.
- **To Power Off:** Press and hold the Power button, then select "Power Off" from the options on the screen.
- **To Restart:** Press and hold the Power button, then select "Restart" from the options.

2.2. Basic Navigation

The OPPO F33 Pro 5G runs on Android 15 with ColorOS 16, offering an intuitive user interface.

- **Home Screen:** Swipe left or right to access different home screens.
- **App Drawer:** Swipe up from the bottom of the screen to access all installed applications.
- **Notifications & Quick Settings:** Swipe down from the top of the screen to view notifications and quick settings toggles.
- **Recent Apps:** Swipe up from the bottom of the screen and hold to view recently used applications.

7. MAINTENANCE

Proper maintenance ensures the longevity and optimal performance of your OPPO F33 Pro 5G.

- **Cleaning:** Use a soft, lint-free cloth to clean the screen and body. Avoid abrasive materials or harsh chemicals.
- **Software Updates:** Regularly check for and install system updates to benefit from the latest features, security patches, and performance improvements. Go to **Settings > About device > Up to date** to check for updates.
- **Storage Management:** Periodically clear unnecessary files and apps to free up storage space and maintain device speed.
- **Battery Care:** Avoid extreme temperatures. Do not leave the phone fully charged or fully discharged for extended periods.

8. TROUBLESHOOTING

If you encounter issues with your device, try the following solutions:

Problem	Solution
Device not turning on	Ensure the battery is charged. Connect to the charger for at least 10 minutes, then try powering on.
Apps crashing or freezing	Close background apps. Clear app cache (Settings > Apps > [App Name] > Storage > Clear cache). Restart the device.
Slow performance	Free up storage space. Close unused apps. Check for system updates.
Battery draining quickly	Reduce screen brightness. Disable unused features (Wi-Fi, Bluetooth, GPS). Identify and restrict power-hungry apps in settings.
Network connectivity issues	Toggle Airplane Mode on and off. Restart the device. Check SIM card insertion. Reset network settings (Settings > System settings > Backup and reset > Reset phone > Reset network settings).

If problems persist, contact OPPO customer support or visit an authorized service center.
