Tomtoc Defender-A14 Laptop Briefcase (14 Inch) User Manual

Model: A14D2B1

Figure 1: The Tomtoc Defender-A14 Laptop Briefcase (14 Inch) in Navy Blue.

INTRODUCTION

The Tomtoc Defender-A14 Laptop Briefcase is designed to provide secure and organized transport for your 14-inch laptop and essential accessories. This manual outlines the features, usage guidelines, maintenance, and specifications to ensure optimal performance and longevity of your briefcase.

PRODUCT FEATURES

- **Military-Grade Protection:** Features patented CornerArmor technology, high resilience edges, and cushion-soft fleece padding, certified MIL-STD-810H: 2019 for drop and bump protection.
- **Organized Storage:** Multiple intelligent pockets and elastic bands in the front compartment for organizing chargers, cables, USB hubs, and other tech accessories. Includes a hidden back pocket for documents or a keyboard.
- **Durable Construction:** Crafted with premium spill-resistant recycled fabrics and top-quality YKK zippers for secure

and long-lasting use.

- **Eco-Conscious Design:** Made from 100% Post-Consumer recycled PET plastic bottles, supporting sustainable practices.
- **Convenient Access:** Streamlined, compact design with a side zipper opening for easy insertion and removal of your laptop.
- **Comfortable Carrying:** Equipped with PU leather handles for maximum comfort during transport.

SETUP AND INITIAL USE

1. **Unpack the Briefcase:** Remove the briefcase from its packaging.
2. **Inspect for Damage:** Before first use, visually inspect the briefcase for any signs of shipping damage.
3. **Prepare Your Laptop:** Ensure your 14-inch laptop is clean and free of debris before placing it inside.
4. **Insert Laptop:** Open the side zipper. Carefully slide your 14-inch laptop into the main compartment. The soft fleece lining provides a snug fit and protection.
5. **Organize Accessories:** Utilize the front compartment's pockets and elastic bands to neatly store your charger, cables, mouse, and other small accessories. The hidden back pocket can be used for documents or a slim keyboard.

Safe Side Opening Design

Keep your laptop safe and slip in and out easy

Figure 2: Laptop insertion via the side opening. This design allows for easy access while maintaining security.

Powerful Storage System

Keep your tech kit neatly organized and easily reached

A hidden back pocket
for keyboard/document

The size is specifically designed for the 14-inch MacBook.

If your laptop is not an Apple MacBook, please make sure to carefully compare its width, height and depth with the inner dimensions of our laptop bag

Inner Dimensions of the Bag: 12.31"(W) x 8.71"(H) x 0.61"(D)

Figure 4: Laptop dimension guide for proper fit. Ensure your laptop's dimensions are compatible with the bag's inner dimensions.

OPERATING INSTRUCTIONS

The Tomtoc Defender-A14 is designed for daily transport of your laptop and accessories. Follow these guidelines for optimal use:

- **Secure Closure:** Always ensure all zippers, especially the main compartment zipper, are fully closed before carrying

the briefcase to prevent items from falling out.

- **Carrying:** Use the comfortable PU leather handles for hand-carrying. The lightweight design minimizes strain.
- **Protection:** The CornerArmor technology and high resilience edges provide protection against accidental drops and impacts. While the briefcase offers robust protection, avoid intentionally dropping or subjecting it to extreme forces.
- **Water Resistance:** The exterior fabric is spill-resistant. In case of minor spills, wipe the surface immediately with a dry cloth. This briefcase is not waterproof and should not be submerged in water.

MAINTENANCE AND CARE

- **Cleaning:** For general cleaning, wipe the exterior with a damp cloth and mild soap. Do not use harsh chemicals or abrasive cleaners. Allow to air dry completely.
- **Stain Removal:** For stubborn stains, a soft brush can be used gently with mild soap and water. Rinse thoroughly

and air dry.

- **Zipper Care:** Keep zippers free of dirt and debris. If a zipper becomes stiff, apply a small amount of zipper lubricant or wax.
- **Storage:** When not in use, store the briefcase in a cool, dry place away from direct sunlight to prevent material degradation.
- **Avoid Overloading:** Do not overload the briefcase beyond its intended capacity, as this can strain zippers and seams.

GRS-Certified Design

Crafted with durable, eco-conscious materials

Note: Scope Certificate Number ITS-TE-00074632-GRS-03516400
Certified by Intertek in 2025

TROUBLESHOOTING

The Tomtoc Defender-A14 Laptop Briefcase is designed for durability and reliability. Should you encounter any issues, consider the following:

- **Laptop Fit:** If your laptop does not fit, verify its dimensions against the internal dimensions provided in the

specifications section. This briefcase is specifically designed for 14-inch laptops.

- **Zipper Stiffness:** If a zipper is stiff, ensure no fabric is caught. Apply a small amount of zipper lubricant or wax to the teeth and gently work the zipper back and forth.
- **Minor Stains:** Refer to the "Maintenance and Care" section for cleaning instructions.

For issues not covered here, please contact customer support.
