Getting Started - M240

Connecting your Logitech M240 Sile...

LEARN MORE ABOUT YOUR PRODUCT

Connect your mouse to your device

You can pair your mouse to your device using the Bluetooth Low Energy.

To pair through Bluetooth:

Hi there! How can I help you?

	Mouse will be ready to pair.
	STEP 2 Connect via Swift Pair (Windows only), or Connect device in Bluetooth settings

Install Logitech Software

Download Logitech Software to customize your mouse and benefit from advanced shortcuts and all the possibilities this mouse has to offer. Click [here](#) to download and learn more about the full range of features.

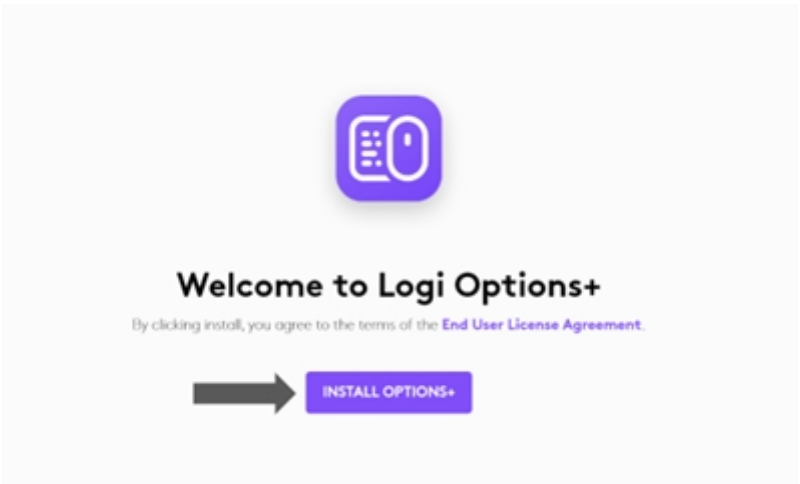

Product Overview

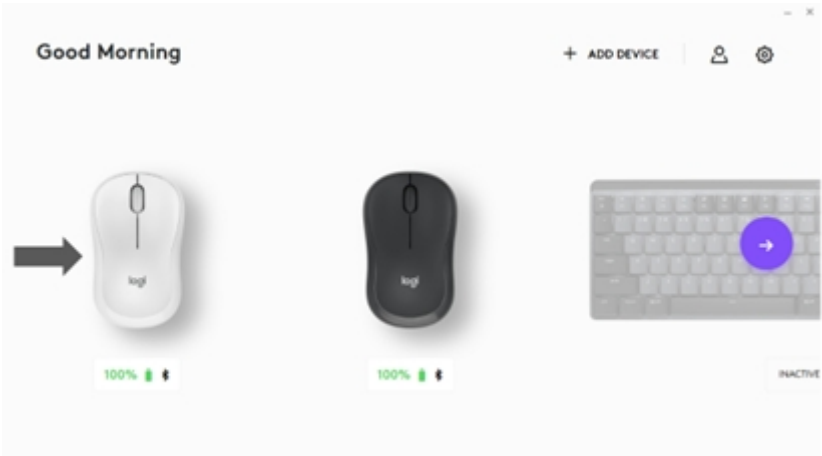

- 1. Scroll wheel
- 2. Connection Status LED
- 3. Connect button
- 4. Optical sensor
- 5. On/Off toggle switch
- 6. Battery compartment

How to customize the middle button

- 1. Download and run Logitech Options+. Click [here](#) to download the software.
- 2. An installer window will pop up on your screen — click **Install Options+**.

- 3. Once Logitech Options+ is installed, a window will open and you'll be able to see an image of your mouse. Click on it.

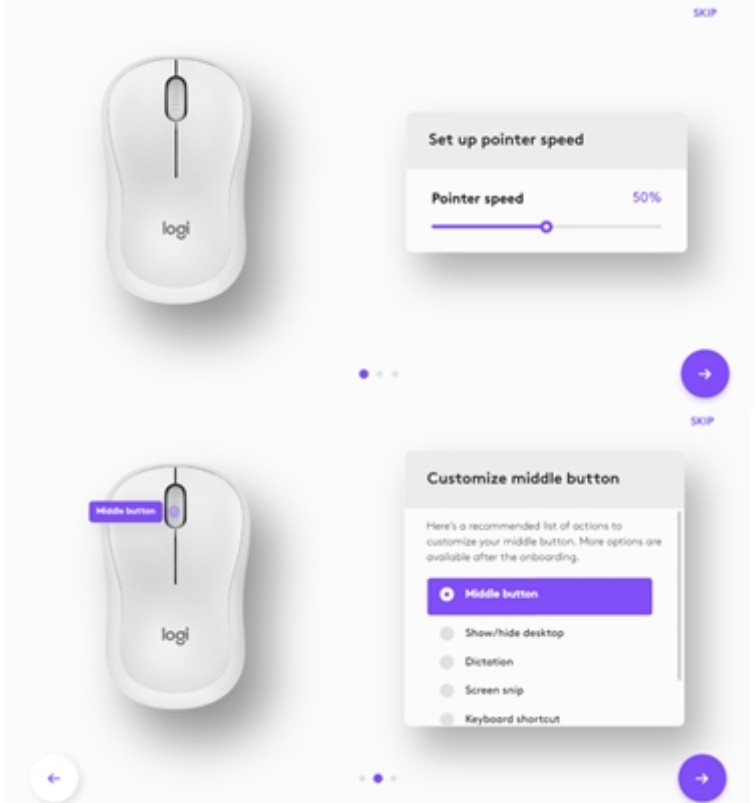

Hi there! How can I help you?

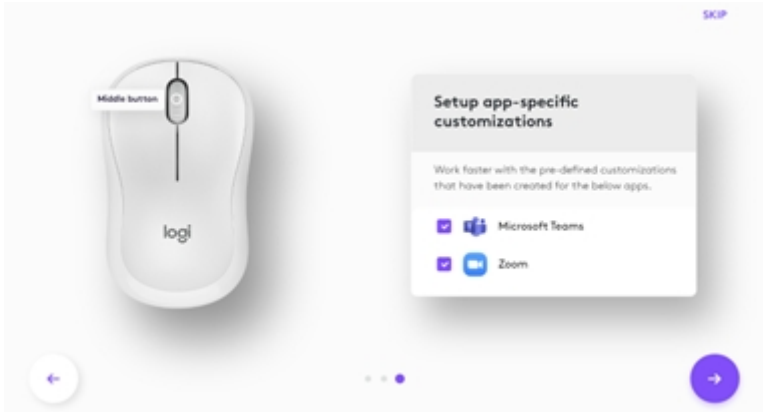

X

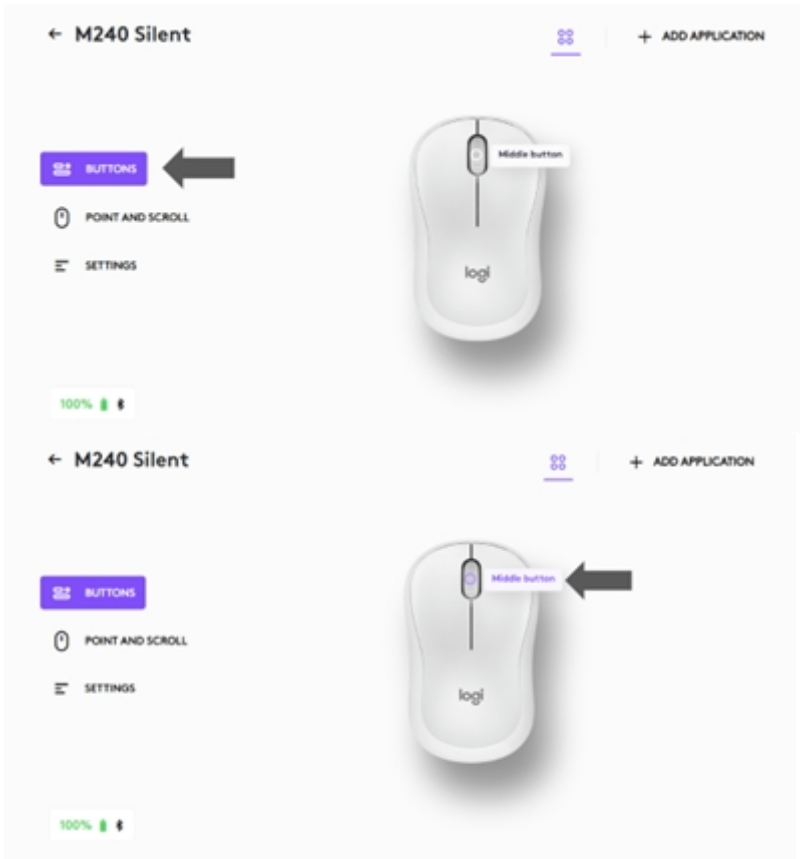

5. You can set up the pointer speed and customize middle button during the onboarding process.

6. App-specific profile for Microsoft Teams and Zoom can also be set up.

7. Once you're finished, on the left side of the window, click **Buttons**, and then click on the middle button to customize the setting if needed.

8. Select the function you like to set on that button from the options that appear on the right side

Hi there! How can I help you? ✕ Done!

App	Default (Middle Button)
Microsoft Teams	Mute / Unmute mic
Zoom	Mute / Unmute mic

Each of these settings can be customized manually, for any application

Battery life and replacement

Battery information:

- Requires 1 AA alkaline battery
- Expected battery life is up to 18 months

Installing a new battery

Slide the battery compartment cover down and then lift it off. Insert the battery, making sure that it faces the correct direction and then replace the battery cover.
