Kids Mode

The tablet features a dedicated Kids Mode with parental controls and specialized eye protection. This mode provides a safe and curated environment for children to use the tablet. Parents can manage content, set time limits, and monitor usage. The tablet also includes bumpy environment and posture alerts for child safety.

Audio Experience with Dolby Atmos

Enjoy immersive audio with the tablet's dual speakers tuned by Dolby Atmos. This technology enhances sound quality for movies, music, and games, providing a rich and

clear listening experience.

Face Recognition

Unlock your tablet quickly and securely using face recognition. This feature allows you to access your device simply by looking at the front camera, eliminating the need for PINs or patterns.

Google Assistant Integration

Transform your tablet into a smart hub by docking it into a compatible smart charging station. With Google Assistant integration, you can control smart home devices, get information, and perform various tasks hands-free using voice commands.

MAINTENANCE AND CARE

To ensure the longevity and optimal performance of your Lenovo Tab M10 FHD Plus, follow these maintenance guidelines:

- Keep the tablet clean by wiping it with a soft, dry cloth. Avoid abrasive cleaners.
- Protect the screen with a screen protector and consider a protective case to prevent scratches and damage.
- Avoid exposing the tablet to extreme temperatures, direct sunlight, or moisture.
- Regularly update the operating system and applications to ensure security and performance.
- Manage storage by regularly deleting unnecessary files and apps.

TROUBLESHOOTING

If you encounter any issues with your tablet, refer to the following common troubleshooting tips:

- **Tablet not powering on:** Ensure the tablet is fully charged. If it still doesn't turn on, try holding the power button for 10-15 seconds.
- **Screen unresponsive:** Restart the tablet. If the issue persists, perform a factory reset (note: this will erase all data).
- **Wi-Fi connectivity issues:** Check your router and ensure the tablet is within range. Try forgetting the network and reconnecting.
- **Apps crashing:** Clear the cache of the problematic app or reinstall it. Ensure your tablet's software is up to date.
- **Slow performance:** Close unnecessary background apps, clear cache, and free up storage space.

For more complex issues, please contact Lenovo customer support.
