OnePlus Pad 4 User Manual

Model: OPD2514

1. SETUP AND INITIAL USE

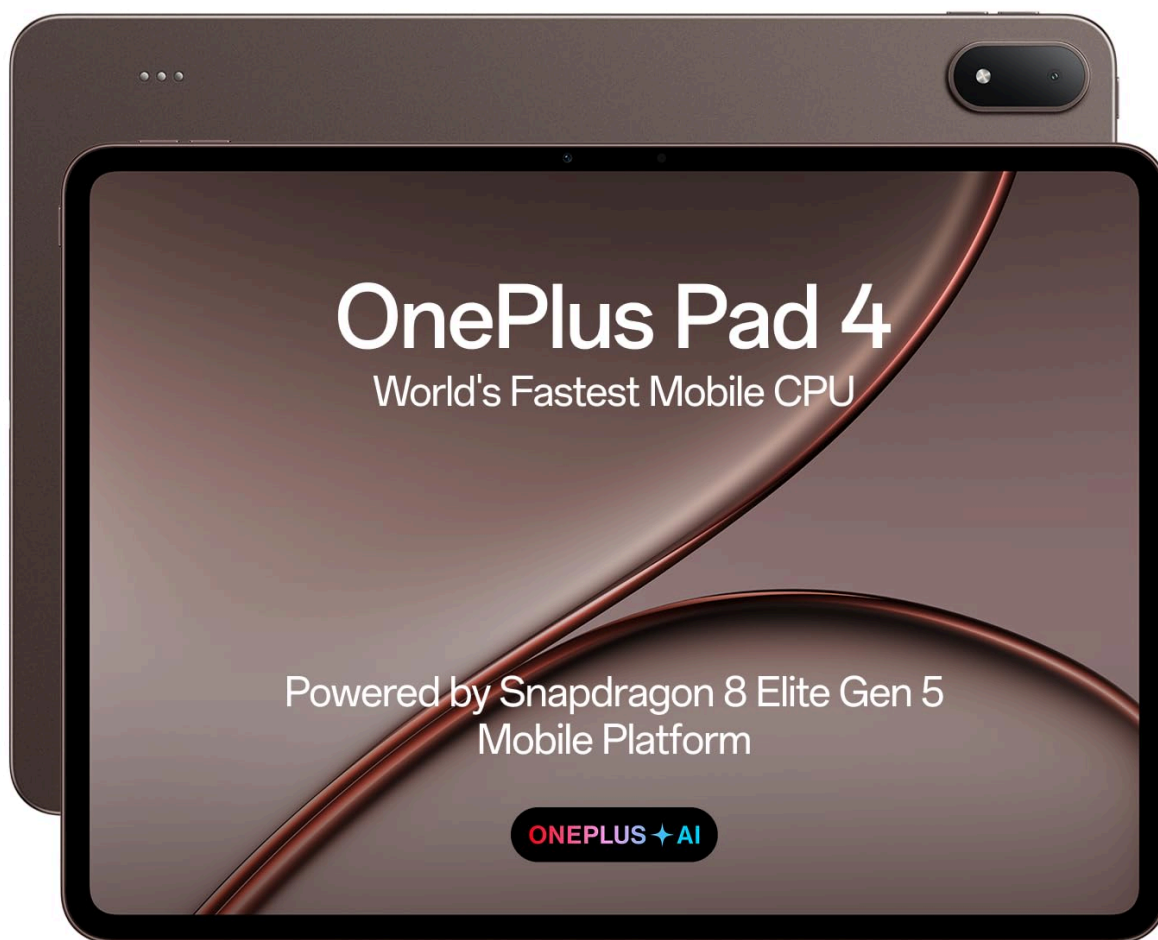

1.1 Box Contents

Before starting, ensure all items are present in the package:

- 1 x OnePlus Pad 4 Tablet
- 1 x Charger
- 1 x Charge Cable
- 1 x User Guide & Safety and Warranty Booklet

1.2 Powering On and Charging

To power on your OnePlus Pad 4, press and hold the power button located on the side of the device until the OnePlus logo appears. For initial setup or if the battery is low, connect the tablet to the charger using the provided cable. The battery capacity is 13380 mAh, offering extended usage.

1.3 Initial Setup Wizard

Follow the on-screen instructions to complete the initial setup, which includes selecting your language, connecting to a Wi-Fi network, and signing in to your Google account. Your device runs on OxygenOS 16.0.

1.4 Optional Accessories

Enhance your experience with optional accessories:

- **OnePlus Stylo Pro:** For precise input, sketching, and note-taking.
- **OnePlus Pad 4 Smart Keyboard:** Transforms your tablet into a productivity workstation with responsive keys.

The OnePlus Stylo Pro offers natural pen-on-paper feel for creative tasks and notes.

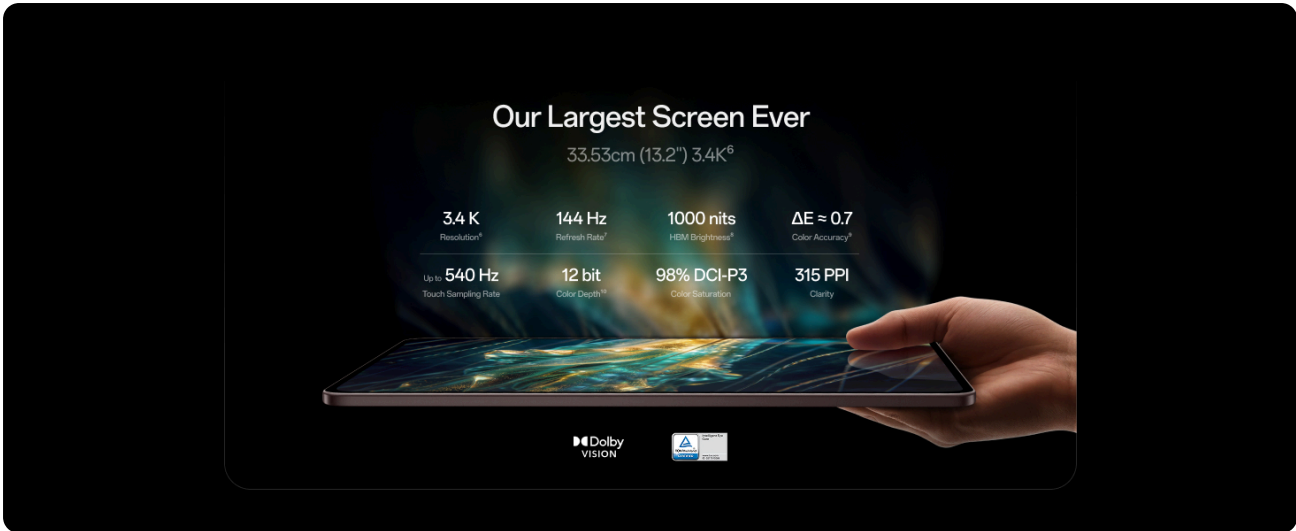

The OnePlus Pad 4 Smart Keyboard provides a comfortable typing experience for enhanced productivity.

2. OPERATING YOUR ONEPLUS PAD 4

2.1 Display and Visuals

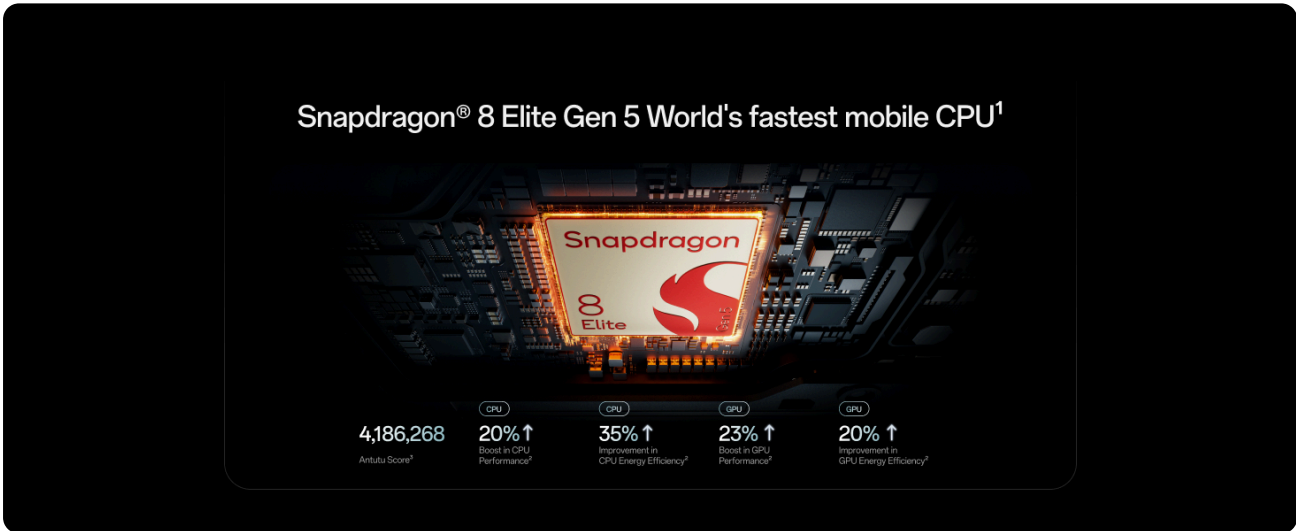

The OnePlus Pad 4 features a 33.53 cm (13.2") 3.4K True Color Display with a 144Hz refresh rate, 1000 nits HBM brightness, and Dolby Vision support. The 7:5 aspect ratio provides an expansive viewing area, ideal for both entertainment and productivity.

Key display features of the OnePlus Pad 4, highlighting its high resolution and refresh rate.

2.2 Performance

Powered by the Snapdragon® 8 Elite Gen 5 Platform, the tablet delivers high performance for demanding applications and gaming. The Cryo-Velocity Cooling System, with a 40,760 mm² cooling area, ensures stable performance even during intensive use.

The Snapdragon 8 Elite Gen 5 processor provides powerful and efficient performance.

2.3 Audio Experience

The 8-speaker Hi-Fi system with spatial audio provides an immersive sound experience. Four woofers and four tweeters are symmetrically arranged to deliver deep bass and crisp highs, adapting audio output to the tablet's orientation.

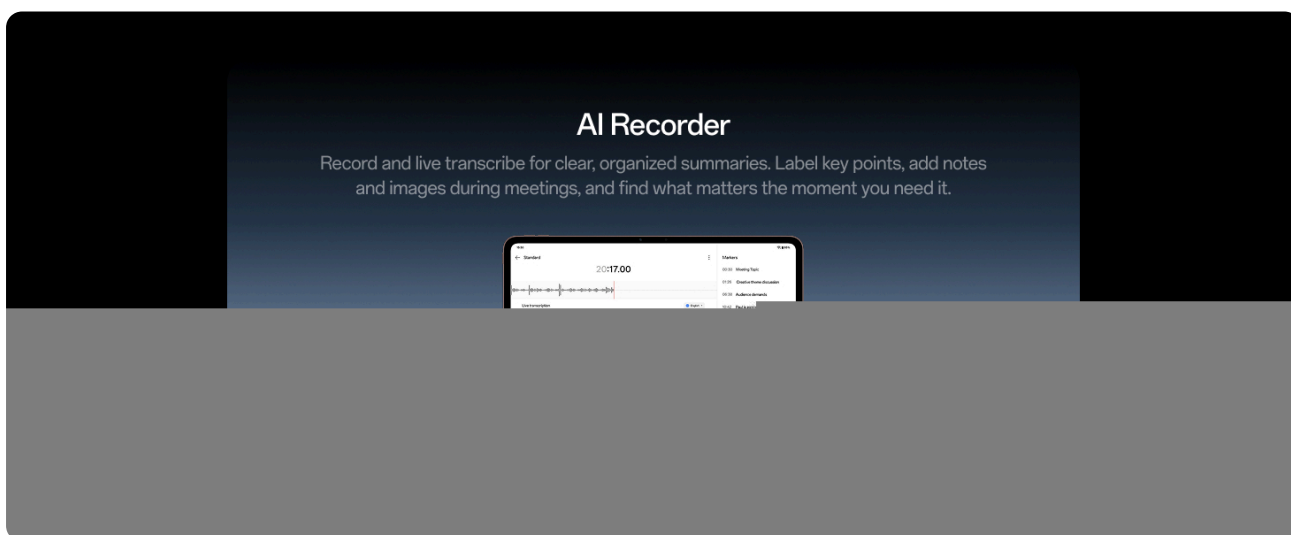

The 8-speaker system delivers an immersive audio experience.

2.4 AI-Powered Features

The OnePlus Pad 4 integrates several AI features to enhance user experience:

- **AI Recorder:** Records and transcribes meetings, allowing you to label key points and add notes.
- **AI Painter:** Transforms notes into data charts, mind maps, or flowcharts.
- **Google Gemini:** Google's AI assistant for search results, ideas, and learning.
- **AI Clear Call:** Reduces background noise for crystal-clear calls.
- **AI Translation:** Translates websites, screenshots, and other content.

AI Recorder for efficient meeting transcription and note-taking.

2.5 Productivity and Multitasking

The tablet is designed for PC-level productivity, allowing for seamless multitasking. You can arrange and resize multiple windows freely and use a second-screen setup to extend your PC display.

2.6 Connectivity

The AI Smart Antenna Design ensures strong and uninterrupted connectivity. This hybrid design uses magnetic loop and cavity antennas with real-time signal switching for optimal Wi-Fi performance. This feature is supported in Wi-Fi 5G environments.

3. MAINTENANCE

3.1 Cleaning Your Device

To clean your OnePlus Pad 4, use a soft, lint-free cloth. Avoid abrasive materials, solvents, or aerosol sprays. For stubborn smudges, slightly dampen the cloth with water or a screen cleaner specifically designed for electronics.

3.2 Battery Care

The 13380 mAh battery is designed for long endurance. To maximize battery lifespan:

- Avoid extreme temperatures.
- Do not fully discharge the battery frequently.
- Store the device with a partial charge (around 50%) if not used for extended periods.

The 13380 mAh battery provides extended usage time.

3.3 Software Updates

Regularly check for and install software updates to ensure optimal performance, security, and access to new features. Updates are typically found in the device's settings menu

under 'About device' or 'Software update'.

4. TROUBLESHOOTING

4.1 Common Issues and Solutions

- **Device not powering on:** Ensure the device is charged. Connect to the charger for at least 30 minutes before attempting to power on again.
- **Wi-Fi connectivity issues:** Restart your Wi-Fi router and the tablet. Ensure you are within range of the Wi-Fi signal. Check if the AI Smart Antenna feature is active for Wi-Fi 5G networks.
- **Slow performance:** Close unnecessary background applications. Clear cache from apps. Ensure the device has sufficient free storage.
- **Accessory compatibility:** For optimal functionality, use official OnePlus accessories like the Stylo Pro and Smart Keyboard.
