What's in the Box

Verify that all items are present in the packaging:

- iPad 11-inch (A16, 2025)
- USB-C Charge Cable
- 20W USB-C Power Adapter

Image: The box contents including the iPad, USB-C charge cable, and 20W USB-C power adapter.

Setup

1. Initial Power On and Activation

1. Press and hold the top button until the Apple logo appears.
2. Follow the on-screen instructions to select your language and region.
3. Connect to a Wi-Fi network.
4. Set up Touch ID by following the prompts to register your fingerprint.
5. Sign in with your Apple ID or create a new one.
6. Restore from a backup (iCloud or computer) or set up as a new iPad.

2. Cellular Connectivity (for Wi-Fi + Cellular models)

This iPad model supports 5G cellular connectivity via eSIM. It does not include a physical SIM card slot.

- Contact your cellular carrier to activate an eSIM plan for your iPad.
- Follow the carrier's instructions to download and activate your eSIM profile.

Operating Instructions

1. Basic Navigation (iPadOS)

- **Home Screen:** Swipe up from the bottom edge to return to the Home Screen.
- **Control Center:** Swipe down from the top-right corner to access quick settings.
- **Notifications:** Swipe down from the top-left corner to view notifications.
- **Multitasking:** Use Split View or Slide Over to run multiple apps simultaneously.

2. Using Cameras

- **Front Camera (12MP Center Stage):** Ideal for video calls and selfies. Center Stage automatically keeps you in the frame during video calls.
- **Back Camera (12MP Wide with True Tone flash):** Suitable for capturing photos, 4K videos, and document scanning.
- Open the Camera app and select your desired mode (Photo, Video, Portrait, etc.).

3. Connectivity

- **Wi-Fi 6:** Connect to high-speed wireless networks for internet access.
- **5G Cellular:** When Wi-Fi is unavailable, use your activated eSIM for mobile data access.
- **Bluetooth 5.3:** Pair with wireless accessories such as headphones and keyboards.

4. Charging the iPad

- Connect the USB-C Charge Cable to the iPad's USB-C port.
- Connect the other end of the cable to the 20W USB-C Power Adapter.
- Plug the power adapter into a wall outlet.
- The battery icon in the status bar indicates charging status.

5. Accessories

- **Apple Pencil (USB-C):** Connects magnetically to the side of the iPad for charging and pairing. Use for drawing, note-taking, and marking up documents.

Advertisements

- **Magic Keyboard Folio:** Features a versatile two-piece design with a detachable keyboard and a protective back panel. Attaches magnetically to the iPad.
- **Apple Pencil (1st generation):** Also compatible with this iPad model.

Maintenance

1. Cleaning Your iPad

- Unplug all cables and turn off your iPad.
- Use a soft, slightly damp, lint-free cloth (e.g., microfiber cloth).
- Avoid excessive wiping. Do not use window cleaners, household cleaners, aerosol sprays, solvents, ammonia, abrasives, or cleaners containing hydrogen peroxide to clean your iPad.

2. Battery Care

- For optimal battery longevity, avoid exposing your iPad to extreme temperatures.
- Regularly update iPadOS to the latest version, as software updates often include power-saving technologies.

3. Software Updates

- Ensure your iPad is connected to Wi-Fi and has sufficient battery charge.
- Go to **Settings** > **General** > **Software Update** to check for and install available updates.

Troubleshooting

Common Issues and Solutions:

- **iPad not responding:** Press and quickly release the Volume Up button. Press and quickly release the Volume Down button. Then, press and hold the Top button until the device restarts.
- **Wi-Fi connection issues:**
  - Ensure Wi-Fi is enabled in Control Center or Settings.
  - Restart your Wi-Fi router and iPad.
  - Go to **Settings** > **General** > **Transfer or Reset iPad** > **Reset** > **Reset Network Settings**.
- **Cellular data not working:**
  - Ensure Cellular Data is enabled in Settings.
  - Verify your eSIM plan is active with your carrier.
  - Check for carrier settings updates in **Settings** > **General** > **About**.
- **Apps crashing or freezing:**
  - Force quit the app by swiping up from the bottom of the screen, then swiping the app's preview up and off the screen.
  - Restart your iPad.
  - Ensure the app and iPadOS are up to date.

Factory Reset (Last Resort)

If issues persist, you may need to erase all content and settings. **Warning:** This will delete all data on your iPad. Back up your device before proceeding.

1. Go to **Settings** > **General** > **Transfer or Reset iPad** > **Erase All Content and Settings**.
2. Follow the on-screen instructions.
