

INTRODUCTION

Welcome to the Wings Wireless Generation with the all-new Wings Phantom 205. We hope you are as excited as us to feel and flaunt your latest sound wear. But before you dive right in, we strongly recommend going through this user manual thoroughly as it contains important technical information to ensure you have a seamless audio experience with us. Once you are done reading the manual, we are sure you will be all set.

In the box

- 1) 1 x Phantom 205
- 2) 1 x Type - C cable
- 3) 1x user manual
- 4) 1x warranty card
- 5) Extra ear tips

Phantom 205

How to pair

Step 1: Keep the distance between the earphone and mobile phone (or other devices that need to be connected) within 1 meter. The closer, the better.

Step 2: Separate both the earbuds from each other to power them ON.

Step 3: Initiate Bluetooth function of mobile phone (or another devices that needs to be connected). Then the earphone-pairing name "Phantom 205" will appear on your phone.

Step 4: Select "Phantom 205" and the earphone will automatically connect with your mobile phone.

Step 5: Switch on the Bluetooth search function in your mobile phone or other devices need to be connected. Then the earphone will automatically reconnect with the mobile phone which has connected last time.

Step 6: Place both the earbuds together to Power then OFF

Attention: Generally, there are 120 seconds at maximum to pair earphones with your mobile phone, or the Bluetooth Pairing mode will stop when the lights go out. Please retry steps 1 to 4 to pair again if your operation doesn't work.
