Sound
Guru

Sound Bar with AC Power

Inspired from the word Guru, meaning expert in a field - Sound Guru was conceptualized to meet the versatile entertainment needs of today. Because listening can happen anywhere, it is an ideal speaker that produces powerful sound at home or in office - whether connected in a conference room or to your TV, as a sound bar.

FINGERS Sound Guru Sound bar produces spacious sound with powerful bass for your dialogues, movies and games. With dual speakers, it provides crystal-clear clarity and immersive listening experience for all.
