About Manuals

This TV comes with the following manuals. Please retain the manuals for future reference.

Setup Guide

- TV installation and setup.

Reference Guide (this manual) / Safety Documentation

- Safety information, remote control, troubleshooting, wall-mount installation, specification, etc.

Help Guide (On screen Manual)

- Settings, functions, Internet connection, troubleshooting, etc.
- To open it, press the **HELP** button on the remote control and select Help Guide.

- You can refer to the Help Guide with your smartphone.

https://rd1.sony.net/help/tv/iusltn1/h_usltn/

Setting menus are subject to change without notice.

IMPORTANT – Read the End User Software License Agreement before using your Sony product. Using your product indicates your acceptance of the End User Software License Agreement. The software license agreement between you and Sony is available online at Sony website (<https://www.sony.net/tv-software-licenses/>) or on your product screen. Press (Quick Settings) on the remote control and select [Settings] → [System] → [About] → [Legal information] → [End user license agreement].

- Note**
- Before operating the TV, please read the "Safety Information".
 - Read the supplied safety documentation for additional safety information.
 - Instructions about "Installing the TV to the Wall" are included within this TV's instruction manual.
 - Images and illustrations used in the Setup Guide and this manual are for reference only and may differ from the actual product.

Location of the identification label

Labels for the TV Model No. and Power Supply rating are located on the rear of the TV.

Safety Information

Installation/Set-up

Install and use the TV set in accordance with the instructions below in order to avoid any risk of fire, electric shock or damage and/or injuries.

Installation

- The TV set should be installed near an easily accessible AC power outlet (mains socket).
- Place the TV set on a stable, level surface to prevent it from falling over and causing personal injury or property damage.
- Install the TV where it cannot be pulled, pushed, or knocked over.

- Install the TV so that the TV's Table-Top Stand does not protrude out from the TV stand (not supplied). If the Table-Top Stand protrudes out from the TV stand, it may cause TV set to topple over, fall down, and cause personal injury or damage to the TV.

Transporting

- Before transporting the TV set, disconnect all cables.
- Two or more people are needed to transport a large TV set.
- When transporting the TV set by hand, hold it as shown below. Do not put stress on the LCD panel and the frame around the screen.
- When lifting or moving the TV set, hold it firmly from the bottom.

- When transporting the TV set, do not subject it to jolts or excessive vibration.
- When transporting the TV set for repairs or when moving, pack it using the original carton and packing material.

Topple prevention

(Models with supplied support belt kit)

Refer to the Setup Guide on top of the cushion.
The supplied wood screw is only for affixing to a solid object made of wood.

(Except models with supplied support belt kit)

This receiver complies with the minimum requirements as specified in National Telecommunications Commission, Memorandum Circular 02-03-2016, Regarding the Sale and Labeling of ISDB-T Receivers, including Memorandum Circular No. 01-0302017, Amending Certain Provisions of Section 2 of NTC Memorandum Circular No. 02-03-2016 (Sale and Labeling of ISDB-T Receivers).

HELP

For more information, refer to the Help Guide.

Installing the TV to the Wall

Using the optional Wall-Mount Bracket (SU-WL850 or SU-WL450)* (not supplied)

To Customers:
For product protection and safety reasons, Sony strongly recommends that installation of your TV be performed by Sony dealers or licensed contractors. Do not attempt to install it yourself.

To Sony Dealers and Contractors:
Provide full attention to safety during the installation, periodic maintenance and examination of this product.

- Wall-Mount Bracket Installation Information**
- For instructions on Wall-Mount Bracket installation, see the Installation Information (Wall-Mount Bracket) on the product page for your TV model.
<https://www.sony-asia.com/support>
- Follow the instruction guide provided with the Wall-Mount Bracket for your model. Sufficient expertise is required in installing this TV, especially to determine the strength of the wall for withstanding the TV's weight.
 - Sony is not liable for any damage or injury caused by mishandling or improper installation.
 - Only qualified service personnel should carry out wall-mount installations.
 - For safety reasons, it is strongly recommended that you use Sony accessories, including:
 - Wall-Mount Bracket SU-WL850
 - Wall-Mount Bracket SU-WL450
 - Be sure to use the screws supplied with the Wall-Mount Bracket when attaching the Wall-Mount Bracket to the TV set. The supplied screws are designed as indicated by illustration when measured from the attaching surface of the Wall-Mount Bracket.
The diameter and length of the screws differ depending on the Wall-Mount Bracket model. Use of screws other than those supplied may result in internal damage to the TV set or cause it to fall, etc.

- Be sure to store the unused screws and Table-Top Stand in a safe place until you are ready to attach the Table-Top Stand. Keep the screws away from small children.

* Only on limited region/country/TV model.

Troubleshooting

General troubleshooting for issues like: black screen, no sound, frozen picture, TV does not respond, or network is lost, do the following steps.

- Restart your TV by pressing the power button on the remote control for about five seconds. The TV will restart. If the TV does not recover, try unplugging the AC power cord (mains lead) then press the power button on the TV and release it. Wait for two minutes, and plug in the AC power cord (mains lead).
Or, press the power button on the TV for about 40 seconds until the TV turns off.
- Refer to the Help menu by pressing **HELP** on the remote control.
- Connect your TV to the Internet and perform a software update. Sony recommends you to keep your TV software updated. Software updates provide new features and performance improvements.
- Visit Sony support website (information provided at the end of this manual).

When you plug in the TV, the TV may not be able to turn on for a while even if you press the power button on the remote control or the TV.

It takes time to initialize the system. Wait for about one minute, then operate it again.

- The remote control does not function.**
- Replace the batteries.
- The parental lock password has been forgotten.**
- Enter 4357 for the PIN and enter the new PIN.

HELP

For more information on troubleshooting, refer to the Help Guide.
