3. OPERATING INSTRUCTIONS

3.1 Basic Gameplay

Titanfall 2 combines fast-paced pilot combat with powerful titan warfare. As a pilot, you possess advanced mobility, including wall-running, double-jumping, and sliding. When piloting a titan, you command a heavily armored, weaponized mech with unique abilities.

3.2 Single Player Campaign

The single-player campaign allows you to step into the role of a Militia rifleman who aspires to become a Pilot. Experience a narrative that explores the bond between man and machine, featuring inventive level design and diverse combat scenarios.

3.4 Controls

The game utilizes the standard PlayStation 4 DUALSHOCK 4 controller. The DUALSHOCK 4 Vibration Function is supported to enhance immersion during gameplay. Refer to the in-game tutorial for detailed control mapping and customization options.

4. MAINTENANCE AND CARE

4.1 Game Disc Care

- Always hold the disc by its edges to avoid fingerprints and scratches.
- Store the disc in its original case when not in use.
- Clean the disc with a soft, lint-free cloth, wiping from the center outwards if necessary. Do not use abrasive cleaners.

4.2 Storage

- Keep the game disc and case away from direct sunlight, extreme temperatures, and high humidity.
- Ensure your PlayStation 4 console is kept in a well-ventilated area to prevent overheating during extended gameplay sessions.

5. TROUBLESHOOTING

5.1 Common Issues and Solutions

Issue	Solution
Game not launching or disc read error	Ensure the disc is clean and free of scratches. Restart your PlayStation 4 console. Check for system software updates.

Issue	Solution
Game crashes during play	Ensure your console's system software is up to date. Check for game updates. Clear the console's cache. If the issue persists, consider reinstalling the game.
Multiplayer connection problems	Verify your internet connection is stable. Check PlayStation Network status. Ensure the game has the latest updates. Restart your router and console.
Profile not allowed to play multiplayer	Go to your PS4 settings and test your internet connection multiple times. This can sometimes resolve the issue.
