Haier 445 L 2 Star Frost Free Bottom Mount Refrigerator

MODEL: HRB-4952CKG-P

User Instruction Manual

Advertisements

1. Important Safety Information

Read all instructions before using the appliance. Keep this manual for future reference. Always disconnect the appliance from the power supply before cleaning or maintenance. Do not damage the refrigerant circuit. Do not use electrical appliances inside the food storage compartments unless they are of the type recommended by the manufacturer.

This refrigerator is designed for household use only. Ensure proper ventilation around the appliance. Do not store explosive substances such as aerosol cans with a flammable propellant in this appliance.

2. Product Overview

The Haier HRB-4952CKG-P is a 445-liter, 2-star frost-free bottom mount double door refrigerator. It features a convertible 14-in-1 design, Triple Inverter & Dual Fan Technology, a Digital Display Panel, and a Twist Ice Maker. Its unique bottom-mount freezer design, known as "Jhukna Mat," reduces bending for frequently accessed items.

3. Setup and Installation

3.1 Unpacking

- Carefully remove all packaging materials.
- Check for any damage during transit. If damaged, contact your retailer immediately.
- Ensure all included components are present: 1 unit Refrigerator, User Manual (accessible from brand website), and warranty information.

3.2 Placement

- Place the refrigerator on a firm, level surface.
- Allow adequate space around the appliance for proper ventilation (at least 10 cm at the back and sides).
- Avoid direct sunlight and heat sources.
- This is a freestanding installation type.

3.3 Dimensions

Figure 3.1: Refrigerator dimensions (Depth x Width x Height: 69.6D x 70.3W x 177.5H Centimeters).

3.4 Power Connection

- Connect the refrigerator to a dedicated 230V AC power outlet.
- Ensure the power cord is not pinched or damaged.

4. Operating Instructions

4.1 Initial Start-up

After installation, wait for at least 2-4 hours before plugging in the appliance to allow the refrigerant to settle.

Advertisements

4.2 Digital Display Panel

The external digital LED touch panel allows you to control temperature settings and select modes without opening the refrigerator door, conserving energy.

5. Maintenance and Care

5.1 Cleaning the Interior

- Unplug the refrigerator before cleaning.
- Use a soft cloth with a mild detergent and warm water to clean interior surfaces.
- Wipe dry with a clean cloth.

5.2 Cleaning the Exterior

The refrigerator features a glass finish which is scratch-resistant, rust-free, and easy to clean. Use a soft cloth and a non-abrasive cleaner. Avoid harsh chemicals.

5.3 Anti-Bacterial Gasket

The anti-bacterial gasket is removable for easy cleaning, helping to maintain hygiene and prevent bacterial growth.

Advertisements

5.4 Defrost System

This is a frost-free refrigerator with an automatic defrost system, eliminating the need for manual defrosting.

6. Troubleshooting

For common issues, refer to the troubleshooting section in the full user manual available on the Haier brand website. If problems persist, contact customer support.

7. Specifications

Feature	Specification
