Dear Sir,

1. Pursuant to the provisions of regulation 7 of the Bureau of Energy Efficiency (Particulars and Manner of their display on Labels of Washing Machine) Regulations, 2023, the Bureau hereby permits you to stamp and print or affix label as per details of approvals set out in the Annexure A-IV to this letter.

2. This permission is subject to—

(a) The star level displayed on the label of the washing machine shall conform to energy performance standards for washing machine notified under clause (a) section 14 of the Act and terms and conditions provided in the aforesaid regulations.

(b) The label shall be affixed only on such model of washing machine for which permission has been granted.

(c) The label shall be printed and affixed on the washing machine at the cost of the permittee.

(d) The permittee shall ensure that the star level displayed on the washing machine shall be maintained at all time.

(e) The permittee shall pay the label fee of thirty rupees per label;

(f) The permittee shall furnish to the Bureau a statement containing details of production of labelled equipment and the accrued labelling fee due for each quarter within the following month of the close of each quarter of the financial year. The same details shall be furnished to the Bureau also through online system.

(g) The permittee shall make available such other details of washing machine as and when sought by the Bureau for which the permission has been granted.

Signed by:MILIND BHIKANRAO DEORE

Approved
Secretary BEE

3. This permission shall be valid with effect from **14th November, 2025 to 31st December, 2026** and may be renewed as prescribed. The permittee shall not withdraw the washing machine from the market during the validity period except with the prior approval of the Bureau.

4. The unique label series code assigned by Bureau of Energy Efficiency for the equipment is **BEE/Inf//0026/21** and should appear on the label as per the approved design.

5. Where the star level plans on review is modified by the Central Government, the star level of the washing machine shall stand modified as follows: -

(a). If new model is launched synchronizing with the revised star level, an application for such permission shall be made to Bureau six months in advance of the date from which new star level comes in to force.

(b). Where the existing model is continued to give effect to the modified star level, only a declaration in Form IV shall be submitted to the Bureau.

6. Signed, sealed and dated this **14** day of **11** month **2025** year

Yours faithfully
(Secretary)
BUREAU OF ENERGY EFFICIENCY
