# BOMBAE 6-in-1 Sensitive Trimmer for Women Instruction Manual

Model: BAE\_6-IN-1\_SENS\_TRIMMER\_FUZZOFF\_1599

## 1. PRODUCT OVERVIEW

The BOMBAE 6-in-1 Sensitive Trimmer is designed for women's hair removal across various body areas. This versatile device offers a smooth and painless experience for facial hair, eyebrows, underarms, and the bikini area. It features rust-proof, ceramic, skin-friendly blades and is designed for both wet and dry use.

- **Multi-functional:** Includes specialized attachment heads for eyebrows, face, and sensitive areas.
- **Cordless Operation:** Provides 90 minutes of runtime on a single charge.
- **C-Type Charging:** Conveniently charges with a universal C-Type cable.
- **Waterproof Design:** Suitable for use in the shower and easy cleaning under running water.
- **Gentle on Skin:** Engineered for irritation-free hair removal.

## 2. SAFETY INFORMATION

- Keep the trimmer away from children. The trimmer contains sharp blades and moving parts that can cause injury.
- Do not disassemble or attempt to repair the device yourself. Contact customer support for assistance.
- Ensure the charging port is dry before connecting the C-Type cable to prevent electrical hazards.
- Avoid applying excessive pressure during use to prevent skin irritation or injury.
- Do not use the trimmer on irritated, damaged, or infected skin.

## 4.2 Specific Area Trimming

The trimmer comes with specialized heads for different body parts:

- **Eyebrows:** Use the 2-way eyebrow shaper head. For precise shaping, use the eyebrow comb attachment to trim hairs to a uniform length.
- **Upper Lip, Chin, Sideburns:** Use the round face shaver head for smooth removal of fine facial hair.
- **Underarms & Bikini Area:** Use the intimate trimmer head. For desired length, attach the trimming head comb. The rounded blade tips ensure safe use on sensitive skin.

## 5. MAINTENANCE

### 5.1 Cleaning the Trimmer

Regular cleaning ensures optimal performance and hygiene.

1. Ensure the trimmer is switched off and disconnected from the charging cable before cleaning.
2. Remove the attachment head from the trimmer body.
3. Use the provided cleaning brush to remove any loose hairs from the blades and inside the attachment head.
4. Since the trimmer is waterproof, you can rinse the attachment heads and the trimmer body under running water. Do not submerge the entire trimmer for extended periods.
5. Allow all parts to air dry completely before reattaching the head or storing the trimmer.

### 5.2 Storage

Store the trimmer and its accessories in a cool, dry place, away from direct sunlight and moisture. Keep it out of reach of children.

## 6. TROUBLESHOOTING

---

If you encounter any issues with your BOMBAE 6-in-1 Sensitive Trimmer, please refer to the following common solutions:

- **Trimmer not turning on:** Ensure the trimmer is fully charged. If the battery is low, connect it to the C-Type charger.
- **Reduced trimming performance:** Clean the blades and attachment heads thoroughly to remove any accumulated hair or debris. Ensure the attachment head is securely fastened.
- **Skin irritation:** Ensure you are using the correct attachment head for the area and trimming gently with short strokes. Avoid pressing too hard against the skin. Clean the trimmer before and after each use.
- **Charging issues:** Verify that the C-Type cable is properly connected to both the trimmer and the power source. Try using a different compatible C-Type cable or power adapter.

If the problem persists after trying these steps, please contact customer support.
