# Highlights

## IDC 360 Rotation

Follow all the action with pan & tilt and advanced motion tracking

## IDC 2K Clarity & Night Vision

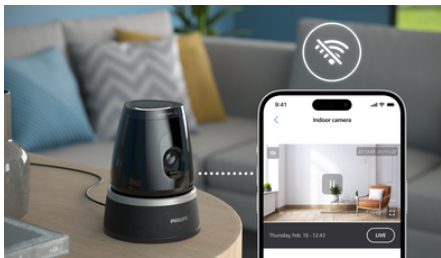

Go beyond Full HD with brilliant 2K clarity and enhanced night vision

## IDC Easy to set up

The average customer sets up in under 2 minutes, plus it's simple to use with local support at every step

## IDC WiFi Drop Technology

All events are recorded on the MicroSD card\* and can be reviewed once Wi-Fi is restored

## IDC Two-Way Talk

Use the camera to communicate directly with people and pets via the app

## IDC AI Detection

Prioritize AI detection for people, pets, and sounds, or even a child crying & respond by triggering the built-in siren or two-way talk.

## IDC Data Encryption

Feel secure with the same data encryption standard trusted by banks plus biometric recognition to safeguard your app

## IDC Privacy Shutter

Simply slide the privacy shutter closed for added peace of mind

## IDC Secure Storage

Up to 128GB MicroSD card\*, secured with the same data encryption standard trusted by banks.
