SAFETY FOR YOU AND YOUR NOISE BUDS MARINE

Follow these tips to get the best out of your new Noise Buds Marine:

-  Do not expose the earbuds to liquids, moisture, or humidity as they have electronics and batteries inside.
-  Do not use abrasive cleaning solvents to clean your new earbuds. Wipe them down with a slightly damp cloth if and when necessary.
-  Remove and clean the earbud tips regularly to ensure that you always enjoy the best sound possible.
-  Only charge your earbuds from 5V USB ports such as phone chargers and laptop or PC chargers.
-  Do not expose the earbuds to extremely high or low temperatures as this may damage the battery or even deform the plastic parts.
-  Do not throw the earbuds in a fire to dispose of them. The internal battery may explode.
-  Do not try to disassemble your earbuds. There are no user-serviceable parts inside it.
-  Try not to drop the earbuds and keep them away from sharp objects such as keys in your pockets.
-  Only charge your earbuds from 5V USB ports such as phone chargers and laptop or PC chargers.
-  Never listen to music at high volume or you may permanently damage your hearing.
-  Pay attention to your surroundings and never wear any earphones while riding, driving or walking in traffic.
